## **Distribution of Results**

Event results for the national track meet will be posted near the concession area and in the media room located at the west end of the track complex. Coaches and media can obtain copies of results by visiting this media room. Results will be provided as soon as possible, but please observe patience since it will take a volunteer runner a few minutes to get the results downstairs from the press box. Cumulative results and updated heat sheets will also be available at the conclusion of each day's activities in the media room. Results will also be posted on South Plains College's athletics website at [www.spctexans.com](http://www.spctexans.com). This site will also be linked from the NJCAA web site at [www.njcaa.org](http://www.njcaa.org).
