- Practicum in Marketing**
BMGT 1168: Practicum-Business Administration & Management, General
- Practicum in Business Management**
BMGT 1168: Practicum-Business Administration & Management, General

Computer Information System

- Business Info Management I OR Principles of Information Technology**
ITSC 1309: Integrated Software Applications I
- Accounting I**
ACNT 1303: Intro to Accounting I
- Web Technologies**
ITSE 1311: Beginning Web Programming
- Computer Maintenance**
ITSC 1325: Personal Computer Hardware

Office Administration

- Business Information Management I OR Principles of Information Technology**
ITSC 1309: Integrated Software Applications I
- Accounting I**
ACNT 1303: Intro to Accounting I
- Practicum in Business Management**
BMGT 1168: Practicum-Business Administration & Management, General (Not in Curriculum)

Creative Arts

Design Communications

- Digital Media (PhotoShop)**
ARTC 1302: Digital Imaging I
- Audio/Video Production I**
ARTV 1371 Intro to Video Production Technology
- Web Technologies**
IMED 1316: Web Page Design I
- Commercial Photography I (PhotoShop)**
ARTC1302: Digital Imaging I
- Commercial Photography I (Photography)**
PHTC1345 Illustrative Photography I
- Animation I**
ARTV1303: Basic Animation

Video Production

- Audio/Video Production I**
ARTV 1371 Intro to Video Production Technology
- Digital Media (PhotoShop)**
ARTC 1302: Digital Imaging I
- Commercial Photography I (PhotoShop)**
ARTC1302: Digital Imaging I

Industrial Technology

Auto Collision Repair

- Collision Repair**
ABDR 1307: Auto Body Welding

Automotive Technology

- Business Info Management I OR Principles of Information Technology**
ITSC 1309: Integrated Software Applications I
- Engineering Design & Presentation I**
DFTG 1309: Basic Computer Aided Drafting
- Agricultural Mechanics & Metal Technologies**
Welding 1307: Intro to WLDG/Multiple Processes
- Energy, Power & Transportation Systems**
AUMT 1201: Intro & Theory of Automotive Technology

- **Automotive Technology I: Maintenance & Light Repair**
AUMT 1201: Intro & Theory of Automotive Technology
- **Automotive Technology I: Maintenance & Light Repair (BMATC Only)**
AUMT 1316: Suspension & Steering and
AUMT 1410: Automotive Brake Systems
- **Automotive Technology II: Automotive Service (BMATC Only)**
AUMT 1407: Automotive Electrical Systems and
AUMT 2417: Automotive Engine Perf. Analysis I

Diesel Service Technology

- **Agriculture Power Systems**
DEMR 1301: Shop Safety and Procedures

Computer Aided Drafting & Design

- **Engineering Design & Presentation I**
DFTG 1309: Basic Computer Aided Drafting
- **Architectural Design I**
DFTG 1317: Architectural Draft-Residential AND
DFTG 1305: Technical Drafting

Welding Technology

High School courses instructed in accordance to Welding Technology Course Learning Outcome List completed/documentated by the high school instructor and submitted to Pete Stracener/Jimmy Stratton will result in articulation for:

- WLDG 1430: Intro to Gas Metal Arc
- WLDG 1428: Intro to Shielded Metal Arc
- WLDG 1457: Intermediate Shielded Metal Arc

Industrial Manufacturing/Emerging Technology

All Industrial Manufacturing

(Includes Semi-Conductor/Electronics, Machinists, Network Communications and Alternative Energy)

- **Agricultural Mechanics & Metal Technologies**
WLDG 1307: Intro to WLDG/Multiple Processes
- **Business Information Management I OR Principles of Information Technology**
ITSC 1309: Integrated Software Applications I
- **Digital Electronics**
CETT 1325: Digital Fundamentals
- **Principles of Manufacturing**
INMT 1370: MSSC Production Tech Certificate
- **Precision Metal Manufacturing I**
MCHN 1338: Basic Machine Shop I
- **Precision Metal Manufacturing II**
MCHN 1332: Bench Work & Layout
- **Robotics I**
RBTC 1305 Robotic Fundamentals

Additional Industrial Manufacturing (Articulated Courses by Specialization)

Semi-Conductor/Electronics Specialization

- **Principles of Information Technology**
CPMT 1305: IT Essentials 1: PC Hardware & Software

Network Communications Specialization

- **Principles of Information Technology**
CPMT 1305: IT Essentials 1: PC Hardware & Software
- **Internetworking Technology I**
ITCC 1314: CCNA 1: Introduction to Networks AND ITCC 1340: CCNA 2: Routing and Switching Essentials
- **Internetworking Technology II**
ITCC 2312: CCNA 3: Scaling Networks AND ITCC 2313: CCNA 4: Connecting Networks

Professional Services and Energy

Cosmetology

- **Combination of High School Cosmetology courses. Students must meet at least 940 clinical hours to be equivalent to following courses:**
- CSME 1310: Intro to Hair Cutting/Related Theory
CSME 1401: Orientation to Cosmetology
CSME 1405: Fundamentals of Cosmetology
CSME 1443: Manicuring and Related Theory
CSME 1447: Prin. of Skin Care/Facials
CSME 1453: Chem. Reformation/Related Theory

All articulation credit determined and approved by
Levelland Program Coordinator Sarah Thompson or
Plainview Program Coordinator Jan Decker

Electrical & Power Transmission Tech

- **Business Information Management I OR Principles of Information Technology**
ITSC 1309: Integrated Software Applications I
- **Electrical Technology I**
ELPT 1315: Electrical Calculations
ELPT 1321: Intro to Basic Safety and Tools

Law Enforcement Technology

- **Business Information Management I OR Principles of Information Technology**
ITSC 1309: Integrated Software Applications I
- **Law Enforcement I**
CJSA 1322: Intro to Criminal Justice
- **Law Enforcement II**
CJSA 1313: Court Systems & Practice
- **Criminal Investigation**
CJSA 1342: Criminal Investigations
