

SOUTH PLAINS COLLEGE
SUPPLEMENT TO PROFESSIONAL APPLICATION

On the employment application, you were asked to list traditional educational pursuits (college) and professional educational work experience (teaching and/or administrative). This supplement allows you an opportunity to summarize any non-traditional learning experiences and/or work experiences which you feel relate directly to the position for which you are applying. It is important that you be as specific as possible, since these experiences will be evaluated as possible equivalents to traditional educational training and work experience and may be used to help determine placement on the entry-level salary schedule.
