Course Location: Approved Clinical Sites for South Plains College EMS Programs

Course Description:

EMSP 1161: Clinical-Emergency Medical Technology/ Technician: (1:0:5)

This course is a basic, intermediate, or advanced type of health professions work-based instruction that helps students synthesize new knowledge, apply previous knowledge, or gain experience managing the workflow. Practical experience is simultaneously related to theory. Close and or direct supervision is provided by the clinical professional (faculty or preceptor), generally in the clinical setting. Clinical education is an unpaid learning experience. This is an advanced clinical experience.

Course Objective:

At the completion of this course students will have:

- The cognitive, psychomotor, and affective competencies in the recognition and treatment of pre-hospital emergencies at the EMT-Intermediate entry level.

Course Policy:

Disabilities Statement:

Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Special Services Office early in the semester so that appropriate arrangements may be made.

In accordance with federal law, a student requesting accommodations must provide acceptable documentation of his/her disability to the Coordinator of Special Services. For more information, call or visit the Special Services Office in Rooms 809 and 811, Reese Center Building 8, 885-3048, Extension 4654.

Accommodations

This course requires specific physical abilities in order to complete the psychomotor skills and patient care. Any student with a limitation must address this issue with the instructor at the beginning of the course to determine if the

student will be able to complete the requirements of this course. Refer to the South Plains College Catalog and EMS Handbook for specific information on accommodations.

Academic Integrity:

It is the aim of South Plains College to foster a spirit of complete honesty and a high standard of integrity. Please refer to the EMS Handbook and the South Plains College General Catalog for descriptions of identification and response to breaches of Academic Integrity and Grievance Policy.

Diversity Statement:

In this class, the teacher will establish and support an environment that values and nurtures individual and group differences and encourages engagement and interaction. Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world, and about ourselves. By promoting diversity and intellectual exchange, we will not only mirror society as it is, but also model society as it should and can be.

Clinical Attendance:

We are restrained on determining your clinical attendance policy by the state and national accreditation standards, as well as requirements of our clinical sites. Therefore, clinical absences **will** affect your clinical grade as described in the grading policy. It is important that you complete all clinical paperwork in a timely manner. To ensure this, paperwork is due to the Clinical Coordinator or Department Secretary by the end of the 14th calendar day after the clinical was completed. **The last day to complete clinicals is December 15th and all paperwork must be submitted by 4pm on December 16th.**

Clinical Scheduling:

You will be responsible for scheduling all of your clinical through the online scheduling system which is being used by the program. Required clinical rotations are listed in your course manual. Unscheduled clinical rotations may NOT be counted towards satisfying your course requirements. Repeated failure to follow program requirements regarding clinicals may result in dismissal from the program.

Withdrawing:

You have the responsibility to formally withdraw from a course if you determine that you are not going to be able to complete the program. If you fail to do so you will receive a failing grade. You must drop the class according to the procedures outlined in the South Plains College General Catalog.

Clinical Requirements:

A **minimum** of the following must be completed before the end of the semester:

<u>Clinical Department</u>	<u>Minimum Required Hours</u>
Emergency Department	40 Hours
Respiratory Therapy	8 Hours
Burn Unit	8 Hours
Surgery	16 Hours
Your Choice (From Above departments)	8 Hours
Total	80 Hours

In addition to the minimum hours listed above, you will need to complete
Certain clinical patient contacts as defined in the Department Handbook.

Students, who do not meet these requirements in the minimum required hours, will be required to schedule additional rotations. Also, with input from clinical preceptors students may be required to schedule additional rotations if they have not yet demonstrated competences in the required objectives. In the event that additional requirements are needed you will be required to meet with the Clinical Coordinator and discuss specific requirements.

Clinical Grades:

Your clinical grade will be determined by your participation in your clinical rotations. Your course grade will be reduced by 5% for each clinical absence. Clinical paperwork submitted more than 14 days after the date of the rotation counts as an absence as well.

Each clinical shift will be graded by the following clinical grading rubric and these grades will produce 50% of your grade for this course. Completion of required clinicals and clinical hours will result in 50% of your grade. This grade will be recorded with the regular college grading policy and converted to a 4.0 scale.
