I. TEXT

Wilhelm, J. (2016). Human Relations IS Your Business. Cognella.

II. ATTENDANCE POLICY

Students are expected to attend all classes in order to be successful in a course. The student will be withdrawn from the course whenever absences become excessive or, in the instructor's opinion, minimum course objectives cannot be met due to absences. Students are responsible for all class work

covered during absences from class, even in cases in which they are able to satisfy the instructor that the absence was unavoidable. Equally important, if you accumulate 3 weeks of absences YOU

WILL

BE DROPPED (unless extenuating circumstances prevail). Please recognize that you, THE STUDENT, are responsible for communicating with me.

Everything begins with ATTENDANCE. When you are absent you cannot participate, listen to your classmates, or review for exams. Education is a worthwhile but expensive investment, so get your money's worth and show up!

Please refer to "Class Attendance" policy in the SPC General Catalog.

III. EXAM POLICY

There will be five exams. There will be no make-up exams; however, your lowest exam grade will be dropped. Exception: The Final Exam is required and cannot be dropped. The Final is comprehensive.

IV. GRADING POLICY

Exams will determine 80% of your grade (20% each). Attendance counts 10% of your grade, assignments count 5%, and participation counts 5% (note that participation includes positive contributions to class discussion, attitude, and respect for others).

Grading scale: A = 90-100
 B = 80-89
 C = 70-79
 D = 60-69
 F = 59 or below

V. OTHER INFORMATION

I reserve the right to change the course schedule to accommodate videos, class discussion, etc.

Guidelines for student conduct:

1. Please silence, or turn off, cellphones upon entering the classroom.
2. Be respectful of others.
3. Contribute to classroom discussion without monopolizing. Give everyone a chance to participate.
4. Swearing in the classroom will not be tolerated. Stretch your vocabulary by using proper language to express yourself.

The following guidelines address concerns for the safety of children on campus and provide for an environment conducive to learning:

1. Students are not allowed to bring children to class and will be asked to leave in the interest of providing an environment conducive for **all** students enrolled in the class. Students are responsible for adherence to the attendance requirements set forth by the instructor in the course syllabus.
2. Children may not be left unattended. In order to provide for the safety of children on campus, parents or other guardians are responsible for supervising children while utilizing services or conducting business on campus.
3. Disruptive children will not be allowed to interfere with college business. Parents or other guardians are responsible for supervising and controlling the behavior of children they have brought on campus.
