SOUTH PLAINS COLLEGE IMPROVES EACH STUDENT'S LIFE

GENERAL COURSE INFORMATION:

Course Description: An introduction to performing basic distribution line work from and aerial device, basic utility pole setting, removing, and framing for electrical line technicians

Course Learning Outcomes: The goals/objectives of this course are:
Students will learn basic pole line construction techniques using a digger derrick.
Students will demonstrate basic pole framing requirements.
Students will demonstrate proper knot tying and rigging of equipment required for work with construction line equipment.
Proper inspection procedures required for construction line equipment as required by OSHA and ANSI standards.
Proper positioning of pole line construction equipment.
Proper pre-job OSHA required job briefings.
Aerial lift rescue procedures.

Course Competencies: Upon successful completion of this course, each student will have demonstrated through comprehensive training and a competent understanding and performance of:
Inspection procedures and processes of line construction equipment.
Select methods and procedures to perform assigned duties on energized circuits, with supervision, in a safe manner.
Removing and setting poles within energized circuits.
Performing aerial lift rescue safely within the required four minutes.
Identify seen and unseen hazards, and discuss during pre-job briefings.
Perform basic distribution work from an insulated aerial device using the required personal and protective rubber equipment

Academic Integrity: The attempt of any student to present as his or her own work which he or she has not honestly performed is regarded by the faculty and administration as a most serious offense and renders the offender liable to serious consequences, possibly suspension. If you have a question as to whether you may work with other students on any assignment, ASK YOUR INSTRUCTOR.

Assignment Policy: All required work must be turned in on time in order that the student may benefit from the corrections and study for future examinations. Assigned outside work is DUE ON THE CLASS PERIOD ASSIGNED. The instructor has sole discretion as to whether late work is acceptable.

Attendance Policy: The South Plains College attendance policy is stated in the General Catalog. Punctual and regular attendance in class is required of all electrical power transmission students. Each student is responsible for all class work covered while he or she was not in class. At the discretion of the instructor, a student may complete make-up work assignments for unavoidable absences. **ANY STUDENT WITH FOUR CONSECUTIVE ABSENCES WILL BE DROPPED FROM CLASS. STUDENTS WITH MORE THAN FOUR ABSENCES WILL BE DROPPED AT THE INSTRUCTORS DISCRETION.**

SPECIFIC COURSE/INSTRUCTOR REQUIREMENTS:

Textbook and Other Materials: The Guidebook for Linemen and Cablemen
Wayne Van Soelen
Long pants, long sleeve shirts and boots are required.

Grading Policy/Procedure:

Students will be graded on the ability to perform skills at the top of the pole.

*Daily Attendance

*Attendance is taken daily and accrues three points per class attendance. A total of 100 points is possible.

*** Final Examination is required for all students.

Special Requirements: Safety Policy. Special Requirements: Safety Policy. Students should adhere to safety standards established in the SPC Student Handbook. Electrical energy can be potentially lethal. **Students will adhere to the safety policies set forth by the instructor to avoid any electrical contact.** No devices may be energized without instructor approval. **Further, those involved in pole climbing activities will adhere to the safety policies set forth by the instructor. No climbing may be done without an instructor present.** Any chemical hazards and appropriate MSDS safety practices will be covered by the instructor during the first class session if potential for exposure exists.

SPC Disability Statement Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Disability Services Office early in the semester so that the appropriate arrangements may be made. In accordance with federal law, a student requesting accommodations must provide acceptable documentation of his/her disability to the Disability Services Office. For more information, call or visit the Disability Services Office at Levelland (Student Health & Wellness Office) 806-716-2577, Reese Center (Building 8) & Lubbock Center 806-716-4675, or Plainview Center (Main Office) 806-716-4302 or 806-296-9611.

Diversity Statement: In this class, the teacher will establish and support an environment that values and nurtures individual and group differences and encourages engagement and interaction. Understanding

and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world and about ourselves. By promoting diversity and intellectual exchange, we will not only mirror society as it is, but also model society as it should and can be.
