## **Drops and Withdrawals**

Most SPC internet students live within driving distance of South Plains College, so if they need to drop a class, it is easily accomplished in person. However, some students in Houston, Dallas, out-of-state, even overseas. Here is a statement to include in your internet course syllabus with instructions to your students on how to drop the course:

Suggested Syllabus Statement:

### How to withdraw from this internet course

- First, check the academic calendar on the [SPC home page](#) to see when the last day is to drop.
- Then log in to MySPC, click on Admissions and Records, find Student Forms and Tools, and download and print the **Student Initiated Drop Form**.
- Fill out and sign the form and arrange for me (your instructor) or your advisor to sign it also.
- Then you can take the drop form to the SPC Registrar's Office at the Levelland, Reese, or Lubbock campus. Call 806-716-2187 or 806-716-2375 for more information.

If you are not able to come in person to one of the campuses, then you need to submit an email requesting to be dropped to either [amorin@southplainscollege.edu](mailto:amorin@southplainscollege.edu) or [aruiz@southplainscollege.edu](mailto:aruiz@southplainscollege.edu) and they will work with you. The email should be from your SPC email account and should include a brief statement that you wish to drop and the reason you are unable to come to an SPC campus to accomplish that task. Include your name and the course and section you need to drop.

***Dr. Beene's Drop Policy:*** *You will be dropped from class with an "X" with ALL of the following requirements:*

*\* completed 70% of your assignments*

*\*passed your exams with a 60 or higher average*

*If you do not have the above requirements, you will be dropped with an "F"*

## **Academic integrity**

- Anything that borders on cheating, plagiarism, or affects the academic integrity of the assignment or of the course will be dealt with using the harshest measures possible -- the least thing that could happen to you is dismissal from my class roster with a failing grade.
- Cheating includes group work on the REVEL assignments.
- Your work must be *in your own words* and it must be original (cheating and plagiarism -- that is copying your friend's work or copying from another source -- will be dealt with in the harshest manner: you will be dropped from the class with an "F")
- Your work must be turned in on schedule to receive credit --There are no exceptions to this provision.

**Cheating and Plagiarism: from the SPC Catalog:** It is the aim of the faculty of South Plains College to foster a spirit of complete honesty and a high standard of integrity. The attempt of any

student to present as his or her own any work which he or she has not honestly performed is regarded by the faculty and administration as a most serious offense and renders the offender liable to serious consequences, possibly suspension.

Cheating: Dishonesty of any kind on examinations or on written assignments, illegal possession of examinations, the use of unauthorized notes during an examination, obtaining information during an examination from the textbook or from the examination paper of another student, assisting others to cheat, alteration of grade records, illegal entry or unauthorized presence in an office are examples of cheating. Complete honesty is required of the student in the presentation of any and all phases of course work. This applies to quizzes of whatever length, as well as to final examinations, to daily reports and to term papers.

Plagiarism: Offering the work of another as one's own, without proper acknowledgment, is plagiarism; therefore, any student who fails to give credit for quotations or essentially identical expression of material taken from books, encyclopedias, magazines and other reference works, or from the themes, reports or other writings of fellow student, is guilty of plagiarism.

**The consequence of plagiarism in my class is this: the offender(s) will automatically be dropped from the class with an F.**

All technological questions should be directed to the SPC technology center (their information is on the opening page of Blackboard). I do not solve technological/computer problems.

**Blackboard support and help:** *Blackboard tutorials* can be found on MySPC under Students>Distance Education. Once on the Distance Education page, click on Blackboard Learn 9 on menu to the right. Or access the tutorials at <http://ondemand.blackboard.com/students.htm>. When you log in to Blackboard there is a module (or box) that has help information on the My Blackboard Tab. You can also learn more about Blackboard Learn through the [On Demand Learning Center](#). The On Demand Learning Center includes short, interactive video lessons called Quick Tutorials and short documents, called Getting Started Guides, designed to get you familiar with a feature in 15 minutes.

**Students: call** 806-716-2180.

For an email address that reaches everyone in the Instructional Technology department, please use [blackboard@southplainscollege.edu](mailto:blackboard@southplainscollege.edu).

**Diversity statement:**

In this class, I will establish and support an environment that values and nurtures individual and group differences and encourages engagement and interaction. Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world, and about ourselves. By promoting diversity and intellectual exchange, we will not only mirror society as it is, but also model society as it should and can be.

## **Student Privacy**

South Plains College is bound by the Texas Open Records Law and the Family Educational Rights and Privacy Act of 1974. Information regarding these topics can be found in the South Plains College Catalog. As far as this class is concerned, I will NOT release or discuss your class performance, grades, averages, or attendance with anyone but you. This means that your parents, class counselors, principals, or any other interested party will not gain this information from me – if they need this sort of information they must ask you for it. This provision does not apply to student athletes or those for whom a grade check is part of their scholarship support.

### **Religious statement:**

According to Texas House Bill 256, students will be excused from attending classes or other activities, including exams, for the observance of a religious holy day. This includes necessary time for travel.

**SPC Policy regarding “standard English”:** All written assignments should be presented using the conventions of Standard Written English. South Plains College requires all students to become proficient in "academic English," a form of English that is typically used in academic, professional, and business contexts. While slang, regional idioms, and informal kinds of self-expression are appropriate in some contexts, they are out of place in academic writing. Writing instructors and professors in courses across the campus expect all students to demonstrate proficiency in using the conventions of academic English in their written work, whether it is in-class exams or take-home essays.

**Students with disabilities:** Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Disability Services Office early in the semester so that the appropriate arrangements may be made. In accordance with federal law, a student requesting accommodations must provide acceptable documentation of his/her disability to the Disability Services Office. For more information, call or visit the Disability Services Office at Reese Center Building 8. Dawn Valles of the Disability Office will be at the Lubbock Center on Tuesdays each week if you need to speak to her.
