Instructors need to know...

- ◆ It sometimes seems to take on a life of it's own
- ◆ There will be times when humans are sick and technology is down
- ◆ It is not about the technology it is about student success

Moodle + Panopto = Enhanced Student Success

Karl Mahan, Bill Kopf, and Robert Smith

Instructors need to know...

- ◆ You will work out kinks each time an online course is delivered.
- ◆ Teaching and managing takes about 3 times more time at first.
- ◆ You can not start far enough ahead working with on course development.
