

**South Plains College
Tech Prep
Presents the
Career Expo**

**October 20th, 2009
8:30 a.m. ~ 1:00 p.m.
Lubbock Civic Center**

The Career Expo will expose your students to the wonderful educational and career opportunities in our region. Last year, 600 business and college representatives filled the Civic Center Exhibit Hall and concourse with interactive displays, games, group presentations, prizes, and lots of information. The Expo is a great way for students to network with our regional businesses and colleges, and get a jump on choosing a career. They will also learn the educational pathway needed to pursue that career!
