

SOUTH PLAINS COLLEGE FOUNDER'S PLAZA WALK OF HONOR

The Founder's Plaza Walk of Honor is located at the main entrance to the student center and welcomes hundreds of visitors every day. A brick paver is a permanent part of the infrastructure of South Plains College and therefore a lasting physical tribute to a loved one or special event.

This unique way to support the college has 100% of its proceeds benefitting our scholarship programs. Consider a paver to commemorate a graduation, anniversary or birthday. A paver is also a unique Christmas gift.
