D. **Academic Integrity:** It is the aim of the faculty of South Plains College to foster a spirit of complete honesty and a high standard of integrity. The attempt of any student to present as his or her own any work which he or she has not honestly performed is regarded by the faculty and administration as a most serious offense and renders the offender liable to serious consequences, possibly suspension.

Cheating: Dishonesty of any kind on examinations or on written assignments, illegal possession of examinations, the use of unauthorized notes during an examination, obtaining information during an examination from the textbook or from the examination paper of another student, assisting others to cheat, alteration of grade records, illegal entry or unauthorized presence in an office are examples of cheating. Complete honesty is required of the student in the presentation of any and all phases of course work. This applies to quizzes of whatever length as well as to final examinations, to daily reports, and to term papers.

Plagiarism: Offering the work of another as one's own, without proper acknowledgement, is plagiarism; therefore, any student who fails to give credit for quotations or essentially identical expression of material taken from books, encyclopedias, magazines and other reference works, or from themes, reports or other writings of a fellow student, is guilty of plagiarism.

- Attendance is 15% of your overall semester grade
 - You begin the semester with 100.00% attendance score

 - **Students who drop below 70.00% attendance score will be subject to expulsion from the SPC Basic Structural Firefighter Academy.**
- Students are responsible for all class work covered during any absence from class.

C. Assignment Policy:

- The SPC Basic Structural Firefighter Academy comprehensive fall semester final exam (academy midterm) will be administered at the end of the semester. All students are required to take the academy midterm. **A passing score of 70.00% must be achieved on the academy midterm to receive permission of the program coordinator to enroll in the spring semester of the SPC Basic Structural Firefighter Academy.** (TCFP Rule)

- D. **Grading Policy:** A weighted grade system will be utilized to determine the final grade for each student. Grades will be determined by dividing the total points earned by the total points possible in each area (quizzes, attendance, and the final) and multiplying those results by the respective grade weights:

Area	Percentage of Semester Grade
Module Quizzes	= 10% of Semester Grade
eBook Quizzes	= 10% of Semester Grade
TCFP Quizzes	= 50% of Semester Grade
Midterm	= 15% of Semester Grade
Attendance	= 15% of Semester Grade

Up to 7.5% extra credit is available through both completion of workbook chapters (5% possible) and via voluntary community service (2.5% possible; 0.5% earned per 4 hours worked at specific events). See instructor for further details if you are interested.

The following guide for points-to-grade will be utilized to determine the final assessment:

Overall Percentage Earned	Letter Grade
90.00% to 100%	A
80.00% to 89.99%	B
70.00% to 79.99%	C
60.00% to 69.99%	D
59.99% or less	F

- The fall semester of the SPC Basic Structural Firefighter Academy is made up of four classes. The semester grade you earn is applied to all four classes.
 - If you finish the semester with an “A”, you will receive an “A” in all four fall semester Fire Academy (FIRS) classes.
 - If you finish the semester with a “B”, you will receive an “B” in all four fall semester Fire Academy (FIRS) classes.
 - If you finish the semester with a “C”, you will receive a “C” in all four fall semester Fire Academy (FIRS) classes.
 - **If you finish the semester with a “D” or “F”, you will receive that grade in all four fall semester Fire Academy (FIRS) classes and be ineligible to enroll in the spring semester of the SPC Basic Structural Firefighter Academy.**

- **Regardless of your “Semester Grade”, a passing score of 70.00% must be achieved on the academy midterm to receive permission of the program coordinator to enroll in the spring semester of the SPC Basic Structural Firefighter Academy.**
 - For example, if you have a 100% average, perfect attendance, complete all the available extra-credit, and score a 69.99% on the midterm, you WILL NOT RECEIVE PERMISSION TO ENROLL IN THE SPRING SEMSTER (TCFP rule).
