- IV. Attendance Policy: Regular attendance is very important in this course. A STUDENT IS RESPONSIBLE FOR INITIATING THEIR OWN WITHDRAWAL FROM THE COURSE, if that becomes necessary. Note that each absence reduces your final grade potential. It is the student's responsibility to contact the instructor concerning absences. Each absence will count 0 to 10 points off, as discussed in class, depending upon timeliness with which the instructor is contacted and the reason for the absence. For example quarantine due to Covid exposure will NOT result in lost points for attendance, though the student will be required to contact the instructor in a timely manner and keep up with any work assigned. However a student who misses class for no clear or responsible reason (as determined by the instructor) and/or does not contact the instructor in a timely manner will lose the full 10 points. **If you decide to quit the class, YOU are responsible for dropping. If you have not met the requirements of the class, you will be assigned an F at the end of the semester if still enrolled (see grade table below).**

Special Pandemic Note: If classes get moved online for any reason including pandemic, it will continue through a mix of email, Blackboard postings and video conferences unless otherwise directed. The extent of use of each and final implementation will be determined at the time based upon circumstances at that point. Be sure you have working SPC email!

The date of test must be written on the test result and an ID included in the photo. If tested elsewhere (clinic, pharmacy, etc.), please submit a copy of the doctor's note or email notification. Results may be emailed to DeEtte Edens, BSN, RN at [dedens@southplainscollege.edu](mailto:dedens@southplainscollege.edu).

- VI. Quiz Policy: There will be 5 RANDOM, UNANNOUNCED, in class quizzes given during the semester. Each quiz will count 20 points and makeups, generally, WILL NOT be allowed (See Notes on the last page of the syllabus for more information). - VII. Grading Policy:  
There is a total of 450 points possible for the course. Grades will be determined as follows:

5 Random Quizzes, 20 points each	100
Exams (4, but I drop lowest, so 3 @ 100 points ea)	300
Attendance and participation (10 points off each absence, if appropriate)	50
<b>Total Points</b>	<b>450</b>

I will grade on the following scale (normal rounding rules have been applied):

450 - 403 (100%-90%)	<b>A</b>
402 - 358 pts (89%-80%)	<b>B</b>
357 - 313 pts (79%-70%)	<b>C</b>
312 - 268 pts (69%-60%)	<b>D</b>
267 - 0 pts (59.4%-0%)	<b>F</b>

Class outline notes will be provided to the class. Students are expected to write/typo or otherwise work up their notes on the material using these outlines. Students are also expected to stay current on reading and studying so they are prepared for quizzes and tests whenever they should occur. In addition, participation in the classroom is also expected and will contribute to the final grade.

IX. **SPC Policy regarding “standard English”:** All written assignments should be presented using the conventions of Standard Written English. South Plains College requires all students to become proficient in "academic English," a form of English that is typically used in academic, professional, and business contexts. While slang, regional idioms, and informal kinds of self-expression are appropriate in some contexts, they are out of place in academic writing. Writing instructors and professors in courses across the campus expect all students to demonstrate proficiency in using the conventions of academic English in their written work, whether it is in-class exams or take-home essays.

- X. **Student Privacy:** South Plains College is bound by the Texas Open Records Law and the Family Educational Rights and Privacy Act of 1974. Information regarding these topics can be found in the South Plains College Catalog. As far as this class is concerned, I will NOT release or discuss your class performance, grades, averages, or attendance with anyone but you. This means that your parents, class counselors, principals, or any other interested party will not gain this information from me – if they need this sort of information they must ask you for it.
