## Academic Integrity

It is the aim of the faculty of South Plains College to foster a spirit of complete honesty and a high standard of integrity. The attempt of any student to present as his or her own, any work which he or she has not honestly performed, is regarded by the faculty and administration as a most serious offense and renders the offender liable to serious consequences and possibly suspension.

**Cheating:** Dishonesty of any kind on examinations or on written assignments, illegal possession of examinations, the use of unauthorized notes during an examination, obtaining information during an examination from the textbook or from the examination paper of another student, assisting others to cheat, alteration of grade records, and illegal entry or unauthorized presence in an office are examples of cheating.

**Plagiarism:** Offering the work of another as one's own, without proper acknowledgement, is plagiarism. Therefore, any student who fails to give credit for quotations or essentially identical expression of material taken from books, encyclopedias, magazines and other reference works, or from the themes, reports or other writings of a fellow student, is guilty of plagiarism. This includes copying information from the text materials and related websites. A student's written work **MUST** be in his/her own words.

**Exams:** In this course the instructor reserves the right to require exams in a proctored setting, should it be deemed necessary to maintain the integrity of the coursework.

6. Final conference with instructor

## Verification of Workplace Competencies- Capstone Experience

Students will complete statement of competence and resource collection for Goal II to be included in CDA Portfolio. Copies may also be included in Professional Portfolio completed during CDEC 1292 Capstone course.

## Specific Course Requirements

---

### Text and Materials

#### CDA Materials

You will need a CDA **Competency Standards Book**, available from The Council for Professional Recognition <http://www.cdacouncil.org>

#### ***Essentials for Working with Young Children - 3rd Edition***

**Choose the ONE that matches your work setting.**

Preschool, Infant & Toddler, OR Family Child Care

#### Other Materials

**Professional Portfolio: Large notebook w/ dividers, or file box w/ hanging folders**

## Computer Requirements

Students are responsible for making sure they have computer access and skills needed for this class. Buying a personal computer is not required, but students do need regular access to one that meets course requirements. Computer labs are available for student use on the Levelland campus and at the Lubbock centers.

For this course, students will need: **Microsoft Word and Adobe Reader**

**Additional Resources:** [Instructional Technology](#)

**Blackboard** is an online learning platform that will be used throughout this semester. It allows students to access course materials, submit assignments, and communicate with the instructor and classmates.

## Attendance Policy

Students in this course attend class online. Attendance includes logging into the **course 2-3 times per week**, to be documented through the Blackboard system.

If a student finds that he/she cannot complete the requirements of this course in a successful manner, it is the responsibility of that student to initiate a drop from the course. Course withdrawals are made through the registrar's office. The last drop date for the college is **April 30, 2026**.

## Assignment Policy

All assignments will be completed and/or submitted on Blackboard.

Students in this course will be required to complete assignments working directly with young children. It is the student's responsibility to arrange on-site times and locations.

Assignments are due on the dates specified in the course calendar, by 12:00 midnight.

**Late work is only accepted with prior approval from the instructor.**

- To request approval, students must send a written request through Blackboard messages at least 48 hours before the assignment is due.
- Approval is at the instructor's discretion.
- If approved, late submissions will incur a 10% deduction of the total points available per week late.
- Late work cannot be submitted more than two weeks past the original due date.
- No late work will be accepted after Week 14 of the semester to allow time for final grading.
- Unauthorized late work will not be accepted.

Please do not wait until the last minute to turn in assignments, or you may have problems. Remember the saying, "Technology happens!"

# National Association for the Education of Young Children (NAEYC)

## Professional Standards and Competencies for Early Childhood Educators

---

### **Standard 1. Child Development and Learning in Context**

1a: Understand the developmental period of early childhood from birth through age 8 across physical, cognitive, social and emotional, and linguistic domains, including bilingual/multilingual development.

1b: Understand and value each child as an individual with unique developmental variations, experiences, strengths, interests, abilities, challenges, approaches to learning, and with the capacity to make choices.

1c: Understand the ways that child development and the learning process occur in multiple contexts, including family, culture, language, community, and early learning setting, as well as in a larger societal context that includes structural inequities.

1d: Use this multidimensional knowledge – that is, knowledge about the developmental period of early childhood, about individual children and about development and learning in cultural contexts – to make evidence-based decisions that support each child.

### **Standard 2. Family-Teacher Partnerships and Community Connections**

2a: Know about, understand and value the diversity of families.

2b: Collaborate as partners with families in young children's development and learning through respectful, reciprocal relationships and engagement.

2c: Use community resources to support young children's learning and development and to support families, and build partnerships between early learning settings, schools, and community organizations and agencies.

### **Standard 3. Child Observation, Documentation, and Assessment**

3a: Understand that assessments (formal and informal, formative and summative) are conducted to make informed choices about instruction and for planning in early learning settings.

3b: Know a wide range of types of assessments, their purposes, and their associated methods and tools.

3c: Use screening and assessment tools in ways that are ethically grounded and developmentally, ability, culturally, and linguistically appropriate in order to document developmental progress and promote positive outcomes for each child.

3d: Build assessment partnerships with families and professional colleagues.

### **Standard 4. Developmentally, Culturally, and Linguistically Appropriate Teaching Practices**

4a: Understand and demonstrate positive, caring, and supportive relationships and interactions as the foundation of early childhood educators' work with young children.

4b: Understand and use teaching skills that are responsive to the learning trajectories of young children and to the needs of each child, recognizing that differentiating instruction, incorporating play as a core teaching practice, and supporting the development of executive function skills are critical for young children.

4c: Use a broad repertoire of developmentally appropriate, culturally and linguistically relevant, anti-bias, evidence-based teaching skills and strategies that reflect the principles of universal design for learning.

### **Standard 5. Knowledge, Application, and Integration of Academic Content in the Early Childhood Curriculum**

5a: Understand content knowledge – the central concepts, methods and tools of inquiry, and structure – and resources for the academic disciplines in an early childhood curriculum.

5b: Understand pedagogical content knowledge – how young children learn in each discipline – and how to use the teacher knowledge and practices described in Standards 1-4 to support young children's learning in each content area.

5c: Modify teaching practices by applying, expanding, integrating, and updating their content knowledge in the disciplines, their knowledge of curriculum content resources and their pedagogical content knowledge.

### **Standard 6. Professionalism as an Early Childhood Educator**

6a: Identify and involve themselves with the early childhood field and serve as informed advocates for young children, families, and the profession.

6b: Know about and uphold ethical and other early childhood professional guidelines.

6c: Use professional communication skills, including technology-mediated strategies, to effectively support young children's learning and development and to work with families and colleagues.

6d: Engage in continuous, collaborative learning to inform practice.

6e: Develop and sustain the habit of reflective and intentional practice in their daily work with young children as members of the early childhood profession.
