**COURSE DESCRIPTION:** This course is an introduction to the role of business in modern society. It includes an overview of business operations, analysis of the specialized fields within the business organization, and development of a business vocabulary. All course work and exams are conducted online. Extensive use of the Internet is used to send and receive information.

**COURSE OBJECTIVES:** After completion of this course, the student will be able to describe the scope of business enterprise in the nation and the world today; identify major business functions of accounting, management, marketing, and economics; describe the relationships of social responsibility, ethics, and law in business; and define and apply business terminology. Student will

**HOW THIS COURSE IS CONDUCTED:** This course is an online course, which means that you will access course information and respond to me and/or other students through the use of the Internet. Blackboard is used to deliver and manage this course. Blackboard is a software package that was written to help manage online courses. You are encouraged to use the discussion forum for asking questions pertaining to the class.

**Required Text** - (purchase now to have when class begins the week of August 29 2016):

Business Essentials- 11th Edition; Ebert, Griffin – with “My Biz Lab” and “My Career Success Lab” access codes (Publisher = Pearson)

If buying at the Levelland or Reese bookstore, the above 3 items will come in a bundle shrink wrapped together. Or you can buy the 2 access codes and an E-Book (Digital copy of textbook) will be included.

You can also buy the 2 access codes at the publisher’s website with a credit card or paypal when you log into the course through Blackboard, if you would like too.

**You MUST have the “My Biz Lab” and “My Career Success Lab” Access Codes for this class, as you will complete homework and exam assignments in the “My Biz Lab” website and you will complete different learning path modules within “My Career Success Lab” to assist in real world business applications -- (Resume, LinkedIn, etc.)**

**LOGGING INTO COURSE:** Under no circumstances are you allowed to give your User ID and/or password to anyone. If someone, besides you, is logging into this course, I will drop you immediately with an ‘F’, regardless of the reason.

**COMPUTER REQUIREMENTS:** I do not recommend any particular brand of computer. It is the responsibility of the student to make sure that they have the necessary computer resources and skills to take this class. Students are not required to purchase their own computer, but must have frequent regular access to one that meets specifications. There are computer labs available for student use on our Levelland, Lubbock Byron Martin ATC, and Reese Center campuses.

PLEASE make sure your computer is protected with current anti-virus software and spyware removal and prevention software. Most PC’s have Microsoft Office (Word, Excel, Access, PowerPoint, etc.), but if you do not have Office on your computer I would recommend the following website. As a student, you can get Office 365 for free. Go to the link below and register using your SPC student email address.

**Check Your Internet Access**

The computer you are using must be able to connect to the Internet and allow you to access the Blackboard website.

**To be able to participate in this online course, a student needs to have the following abilities:**

- Typing and word processing skills.
- Know basic functionality of a computer and how to do basic troubleshooting.
- Know how to connect to the Internet.
- Know basics of how the Internet works and how to search and conduct research using the Internet.
- Know how to attach and open documents in an e-mail message.
- Have basic file management skills.
- Know how to save and delete documents.

**ATTENDANCE POLICY:** Even though this is an online class, students still have to access the course on a regular basis. **Minimum log in for the course is at least four (4) days per week. Additionally, you should not let more than 72 hours pass without logging in.**

The Blackboard software used to manage this online course tracks student logins, tracking when and where the student has been in the course. Accessing this course on a regular basis is extremely important in order to meet the objectives of this course. Ideally, students should daily check the semester schedule, e-mail, and also check for announcements and fellow student discussions. This course is not 100% self-paced—there will be deadlines. You will feel more at ease with the materials if you stay in touch with what is going on. This course is 3 semester credit hours. For this reason, you should set aside a minimum of 6 hours per week to work on this course. One of the very first things you should do is set aside time each week to work on the class. It is very easy to put off attendance in an online course.

**A STUDENT IS RESPONSIBLE FOR INITIATING THEIR OWN WITHDRAWAL**, if that becomes necessary. If a student is administratively withdrawn from the class, the grade appearing on the transcript will be, at my discretion, an 'X' or 'F'. Administrative withdrawal may occur if the student has not logged into the course over a one (1) week period, consistently fails to meet deadlines, or if the student consistently misses logging into the course **at least 4 days** a week. I also reserve the right to determine excessive absences based on your progress throughout the course. If a student is not meeting requirements for the course, they will be denied access into the Blackboard course and should immediately get in touch with the instructor or withdraw from the course immediately. Being denied access into a course in Blackboard does not withdraw a student from that course—for a student to withdraw from a course, they must contact the Registrar's Office. If you are not active within the course for more than 2 weeks (not completing homework, exams, etc.) I will drop you from the course for non participation.

**PLEASE NOTE: The last day to drop this course is November 17, 2016.**

**RESPONSE TIMES:** You should expect responses from me within 48 hours to emails sent using Blackboard email. If you haven't received a response within that time, communicate to me again either through email and/or telephone. It is possible your initial communication had not been received. I will not guarantee a response to email during SPC scheduled school holidays or on weekends.

**COURSE WORK EVALUATION:** Semester grade will be determined using the following scale:

90-100	A
80-89	B
70-79	C
60-69	D
Below 60	F

Your grade for this course will be based on your performance in the following areas.

- Introduction/Syllabus summary (5%)
- "My Career Success Lab" (including Resume and LinkedIn) (25%)
- "My Biz Lab" - Weekly Homework (40%)
- "My Biz Lab" Exams (30%)

**ASSIGNMENT POLICY/MATERIALS REQUIREMENTS:** It is extremely important to have read assigned online course content, the chapters in the textbook, and/or Internet readings prior to completing assignments. You should also find the resources within Blackboard, "My Biz Lab" and "My Career Success Lab" for each chapter helpful. Assignments will be given throughout the semester (see calendar link in Blackboard for due dates).

**All assignments are due by 4:00 p.m. on the date posted on the course schedule/calendar. LATE WORK/ASSIGNMENTS WILL NOT BE ACCEPTED. Although, your 1 lowest homework grade will be dropped at the end of the semester.**

### **Introduction Assignment (due 8/5/16) (2.5%)**

Post your introduction in the **Discussion** tool forum in Blackboard (under Course Tools to the left). In the discussion forum, post in the topic “your introduction.” In the subject line put your name—example, “John Doe’s Introduction.” Please include the following in your introduction. This assignment will be keyed in the body of the message window, please feel free to say hello to your fellow classmates if you wish, and discuss anything that you might have in common.

- Name
- Major
- Spare time activities (or if you had spare time, what would you do?)
- Favorite class so far and why
- Least favorite class so far and why
- Business or work area interests or career goals

### **Syllabus Summary Assignment (due 8/5/16) (2.5%)**

Submit an approximate one-page summary of this syllabus to me using the Blackboard **email**. Be sure to use the E-Mail feature within Blackboard. The subject line of the email should read “Syllabus summary—Your name”. At the beginning of the summary, key your name, current address, and contact phone numbers. Do not include in the summary such things as my contact information, etc. that I already know. Include things you feel most important to remember during the semester. This assignment may be keyed in the body of the email or saved as a Word or rich text format file and attached to your email. At the bottom of your summary, please state that you agree to the syllabus guidelines and put the current date by your name.

### **Homework Assignments – “My Biz Lab” (40%)**

Weekly homework in “My Biz Lab” will be outlined in the semester schedule, opening Sundays at 6 AM and due the following Monday at 4:00 PM (you will have over a week to complete these assignments, remember that I do not accept late work). Please pay close attention to your semester schedule and the “My Biz Lab” schedule for due dates etc.

## **“My Career Success Lab” Assignments - including Resume and LinkedIn account (25%)**

Weekly assignments focusing on real world business applications.

**Exams (30%)** There will be 4 exams covering three to four chapters each, over the major areas of study related to business listed under the course outline below **plus the comprehensive final exam**. Each exam will be released on Sunday mornings at 6:00 AM and will close on the following Monday at 4:00 p.m in “My Biz Lab”. You will be able to click on the exam link and select the exam as soon as it is made available. When you begin the exam, you will have 1 hour and 15 minutes (75 minutes) to complete and submit the exam.

\*\*\* Exams will be conducted online within software “My Biz Lab”. You do not have to come to campus to take these exams. You will not be able to print the exams when accessed. You will only be able to access the test once and you must take the test in one sitting—you will not be able to save and come back later to the test! It will be very important for you to visit the Semester Schedule in Blackboard to see when exams are scheduled. \*\*\*

**MAKE-UP EXAM POLICY: I do not give make-up exams if you miss a test, BUT if you do miss an exam, you will take the final exam to replace the exam you missed!**

The final exam will be comprehensive and will either replace the lowest score of the major chapter exams (even if the final exam score is lower) **or** replace one missed major chapter exam.

As of December 11th, 2016 all students with a “B” course average and below must take the Final Exam – If you have an “A” average in the course on Dec. 11<sup>th</sup>, 2016, you are EXEMPT from the final exam.

For those students who must take the final exam, the grade that you make on the comprehensive final exam will replace the lowest score of your major chapter exams (even if the final exam score is lower) or replace one missed major chapter exam. If student does not take final comprehensive exam (“B” average students and below), final course grade will be lowered by one letter grade.

**COURSE OUTLINE:** These are the major areas of study that will comprise the chapters covered:

- The Environment of Business
- Trends in Business Today
- Management and Organization
- Human Resources
- Marketing
- Info. for Business Strategy and Decision Making

**TECHNICAL PROBLEMS/SUPPORT:** If you are having computer problems, you have to let me know. I will try to help you in any way that I can. E-mail [blackboard@southplainscollege.edu](mailto:blackboard@southplainscollege.edu) is your first contact with technical problems related to the Blackboard program. I am your contact with content issues for the course. Please remember that it is your responsibility to have a backup plan if your computer goes down. Please have this plan in place now and do not wait until it is a crisis situation. If you lose your assignments due to bad flash drives, computer crash, or your dog ate your homework, there is nothing I can do about it. **THIS IS YOUR WARNING TO HAVE A BACKUP PLAN IN PLACE.**

**PLEASE DO NOT WAIT UNTIL THE LAST MINUTE TO TURN ASSIGNMENTS IN OR YOU MAY HAVE PROBLEMS!** Remember the saying “**TECHNOLOGY HAPPENS!**”! So, it is strongly recommended to work on and submit assignments early before the date due. If an assignment is due and you are not able to access the Internet because the SPC server is down (which rarely happens), you have several options available:

1. “My Biz Lab” and “My Career Success Lab” will not be effected if Blackboard is down, so go ahead and complete your work!
2. If you have to email me attachments and Blackboard is down, you can email them to my SPC email (only in an emergency!) at [lwgregory@southplainscollege.edu](mailto:lwgregory@southplainscollege.edu) Use these options only as a last resort. If you must use one of these options, email and call me to let me know.

**SPECIAL SERVICES:** Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Disability Services Office early in the semester so that the appropriate arrangements may be made. In accordance with federal law, a student requesting accommodations must provide acceptable documentation of his/her disability to the Disability Services Office. For more information, call or visit the Disability Services Office at Levelland Student Health & Wellness Center 806-716-2577, Reese Center

(also covers ATC) Building 8: 806-716-4675, Plainview Center Main Office: 806-716-4302 or 806-296-9611, or the Health and Wellness main number at 806-716-2529.

**STUDENT CONDUCT:** Expected student conduct is as outlined in the SPC catalog. Please note that this is an online environment and others will see your responses to questions. Please do not post any pictures or data that others may find offensive.

**ACADEMIC INTEGRITY:** It is the aim of the faculty of South Plains College to foster a spirit of complete honesty and a high standard of integrity. The attempt of any student to present their own work, which he or she has not honestly performed, is regarded as a most serious offense and renders the offender liable to serious consequences, possibly suspension. Students should refer to the SPC General Catalog policy regarding consequences for cheating and plagiarism and for events defined as cheating and plagiarism (see “Academic Integrity” as well as “Student Conduct” sections in college catalog).
