- **Textbook:** The textbook and resources for this course are available in digital form through the Inclusive Access textbook program at South Plains College. That means the e-book edition of the textbook and/or all required resources are provided in the Blackboard portion of the course from the first day of class. The fee for the e-book/resources is included in the student tuition/fee payment, so there is no textbook or access card to purchase for this course.
- **E-book features:** Access to a cloud-based e-reader is provided by RedShelf via Blackboard. RedShelf e-book features include the ability to hear the text read aloud, highlight, take notes, create flash cards, see word definitions, build study guides, print select pages, and download up to 20% of the book for offline access. Visit <https://solve.redshelf.com/hc/en-us/requests/new> for e-book issues and support.
- **Upgrading to a physical textbook:** Students who prefer a printed textbook rather than an e-book may purchase a loose-leaf edition from the textbook publisher at a reduced price. You are also able to rent up to 4 physical textbooks through Cengage Unlimited for \$7.99 each.
- To access your course materials and explore Cengage Unlimited, log in to Blackboard and click on the link that says Cengage MindTap Weekly

Assignments. When prompted, log in with your Cengage account and follow the prompts to complete the registration process.

EVALUATION POLICY

You will have textbook reading assignments and textbook writing assignments. You will have four objective exams covering the assigned textbook chapter material. Simulation tasks are included in the textbook assignments to be completed throughout the course.

COURSE STRUCTURE

This course is a hybrid course, which means that class will meet weekly for instruction and feedback. You will complete assignments through the use of the Internet. Blackboard and MindTap are used to deliver and manage this course. Please take a moment to read over the information at the Blackboard site before you get started. If the online environment is new to you or if you have problems of any nature, please do not let yourself become overwhelmed or spend hours of your time trying to figure out how to access something. You have many resources available to you for help. You can contact me through Course Messaging or telephone at 806.716.4917 or come by my office.

GRADING POLICY

Your semester grade will be calculated as follows:

Review/Discussion Questions (Weekly MindTap or BB)	20%			
Case Studies & Other In-Class Activities	40%			
Chapter Quizzes (MindTap)	30%			
Final Exam - 1 attempt - 50 questions, 70 minutes	10%			
90-100 = A	80-89 = B	70-79 = C	60-69 = D	Below 60 = F

Chapter Review/Discussion Questions are at the end of each chapter. Review Questions will be assigned through Cengage MindTap and Discussion Questions will be assigned through Blackboard. Directions for each should be closely checked and followed.

Case Studies are at the end of each chapter. Be prepared to answer Case Study questions in class in a variety of ways (i.e. Written Assignments, In-Class Discussions). Any Case Study or In-Class Activity will be collected during class and documented as a grade in Blackboard by the following class meeting.

Chapter Quizzes - You will complete a **multiple choice/true/false quiz** for each chapter. You will be allowed two attempts at the quizzes and the highest of the two grades will be recorded.

Final Exam – The Final Exam will be comprehensive covering all 16 Chapters. It will consist of a total of 50 multiple choice and true/false questions.
