

## Common Course Syllabus

**Department:** Behavioral Sciences

**Discipline:** Psychology

**Course Number:** PSYC 2301

**Course Title:** General Psychology

**Credit:** 3 **Lecture:** 3 **Lab:** 0

Does this course satisfy a core curriculum requirement? Yes – Behavioral and Social Science

**Prerequisites:** TSI compliance in Reading

**Available Formats:** Conventional, INET, ITV

**Campuses:** Levelland, Reese, ATC, Plainview, and Dual Credit Campuses

**Textbook:** Open Stax Psychology Text

**Course Specific Instructions:** Internet – go to Blackboard. Each instructor will attach his/her course specific instructions.

**Course Description:** Survey of the essential subject areas, major theories and approaches to the scientific study of behavior and mental processes.

**Course Purpose/Rationale/Goal :** To acquaint students with the diverse field of psychology including major theoretical concepts. In addition, introduce methods of research used and how it contributes to the body of knowledge in psychology, promotion of critical thinking, generation of new ideas, and consideration of alternate explanations when evaluating information.

**Course Requirements:** To maximize the potential to complete this course, a student should attend all class meetings and/or login to internet courses at least twice weekly. In addition, satisfactorily complete all homework assignments and examinations in a timely manner, and satisfactorily complete all other projects or papers as assigned in the course specific instructions.

**Course Evaluation:** See the instructor's course information sheet for specific items used in evaluating student performance.

**Attendance Policy:** Whenever absences become excessive and in the specific instructor's opinion, minimum course objectives cannot be met due to absences, the student may be withdrawn from the course. Each instructor will have additional information about attendance on his/her course information sheet.

Student Learning Outcomes (SLOs)/Competencies:

Upon successful completion of this course, students will:

1. Identify various research methods and their characteristics used in the scientific study of psychology.
2. Describe the historical influences and early schools of thoughts that shaped the field of psychology.
3. Describe some of the prominent perspectives and approaches used in the study of psychology
4. Use terminology unique to the study of psychology.
5. Describe accepted approaches and standards in psychological assessment and evaluation.
6. Identify factors in physiological and psychological processes involved in human behavior.

**Core Objectives addressed:**

- **Communication skills-** to include effective written, oral and visual communication.
- **Critical thinking skills-** to include creative thinking, innovation, inquiry and analysis, evaluation and synthesis of information.
- **Empirical and Quantitative skills-** to include the manipulation and analysis of numerical data or observable facts resulting in informed conclusions.
- **Social Responsibility-** to include the demonstrated intercultural knowledge and competence, knowledge of civic responsibility, and the ability to engage effectively in regional, national and global communities.

### Classroom Policies:

- **Respect for Fellow Students:** All students will maintain respect for fellow classmates' personal beliefs, values, morals and life situations. Insensitivity concerning race, religion, sex/gender, sexual orientation, mental/physical disability, psychological disorders, age, or socio-economic status (family situation) will not be tolerated.
- **Electronic Devices:** The **use of cell phones** is not permitted in the classroom; they should be silenced and put away while in the classroom. Devices used for note-taking are permitted, but should be used responsibly and should not create distractions for you or others. If you are using the device to do things other than class notes, you will be asked to not use the device in the future.
- **Disruptive Behavior:** "Failure to comply with lawful directions of a classroom teacher relative to maintaining good order is considered misconduct on the part of the student. Repeated violations of disrupting a class will result in the student being dropped from the course." (See Student Guide)
- **Attendance & Administrative Drop Policy:** Attendance will be taken during each class meeting. Students will be responsible for material presented and discussed in class. Due to South Plains College attendance policies, any student who fails to attend 5 classes during the semester or fails to complete two major grades may be dropped from the course with an 'X' or 'F.'

**Late Work and Missed Work:** The work is due on the dates assigned and will have late penalties of 10% each week late, if that date is missed. You cannot wait till the end of the semester to do the work.

**Grading Policy and Method of Evaluation:** It is possible to earn up to 600 points in this course, as follows:

Assignment	Possible Points	Points Earned By You
Paper/Project	100	
Attendance/Discussions/Daily Work	100	
Exam 1	100	
Exam 2	100	
Exam 3	100	
Exam 4	100	
TOTAL	600	

Final Grades will be determined by calculating the total amount of points earned by you this semester.

Using the scale below, your instructor will determine the corresponding letter grade.

- A 90% of 600 (540 points and above)
- B 80% of 600 (480 points and above)
- C 70% of 600 (420 points and above)
- D 60% of 600 (360 points and above)
- F 59% of 600 (359 points and below)

- **Project/Paper:** (100 points) Your group is to pick a mental illness discussed in the text book and complete a 4-5 page research paper on that illness and a therapy that is currently being used to treat that illness. Your group will then present the findings to the class. The paper is not to be read, but summarized in a 10-15 slide PowerPoint Presentation. Lastly, each member of the group will evaluate their fellow members' group participation. A rubric will be provided.
- **Exams:** (100 points each or 400 points total): Throughout the semester 4 (four) exams will be given on Blackboard. Exams may contain multiple choice questions and one essay question. The 4<sup>th</sup> exam, which is also the final exam, will not be cumulative. **See Class Schedule for Exam Dates.**
- **Attendance/Online Discussions/In-Class Activities:** (100 points) We will have bi-weekly online discussion assignments and will complete an in class individual written assignment that will be scored for this section of grades.

Calendar of Dates

Mtg Date	Topic/Chapter	Exams and Papers Due Dates

-FREE View the interactive book on-line. It includes free interactive videos and learning exercises.

-FREE View, download, or print a PDF of this book.

-\$4.99 Download the book in iBooks to your computer, phone, or tablet.

-\$40 purchase a hard copy printed version of the book through Amazon.

The book is also available at the SPC bookstore in new or used versions.

ISBN: 978-1-938168-35-2

**Academic Integrity:** See College Catalog “Offering the work of another as one’s own, without proper acknowledgement, is plagiarism...” For further information and examples please see [www.plagiarism.org](http://www.plagiarism.org). Handing in work that was submitted for completion of another course will not be permitted. Students found guilty of such academic dishonesty will receive a 0 (zero) the work in question and will be dropped from the course should a second offense occur.

### **Diversity Statement**

In this class, the teacher will establish and support an environment that values and nurtures individual and group differences and encourages engagement and interaction. Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world and about ourselves. By promoting diversity and intellectual exchange, we will not only mirror society as it is, but also model society as it should and can be.

### **Disabilities Statement**

Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Disability Services Office early in the semester so that the appropriate arrangements may be made. In accordance with federal law, a student requesting accommodations must provide acceptable documentation of his/her disability to the Disability Services Office. For more information, call or visit the Disability Services Office at Levelland (Student Health & Wellness Office) 806-716-2577, Reese Center (Building 8) 806-716-4675, or Plainview Center (Main Office) 806-716-4302 or 806-296-9611.

### **Non-Discrimination Statement**

South Plains College does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs and activities. The following person has been designated to handle inquiries regarding the non-discrimination policies: Vice President for Student Affairs, South Plains College, 1401 College Avenue, Box 5, Levelland, TX 79336. Phone number 806-716-2360.
