**Prof. Fox on Classroom Diversity:** Great value is placed on freedom of expression; however certain topics are considered overdone or cliché. These topics will NOT be approved for presentations, so it is important to discuss topic selection for each speech. Some topics may be controversial, so open and honest dialogue will be allowed. Keep in mind that each person has a valuable opinion and our goal is to present sound, reasonable examples and NOT to harass or berate. If we follow these simple rules, no person should be offended, even if they disagree. If you feel there has been some offense made, it is your responsibility to bring it to my attention, in private, as soon as possible.

**Assessment and Grading:** This department supports university policies of academic excellence as noted in the student handbook. Interpretation of grades should be considered within the university framework: A=excellent, B=good; C=average; D=inferior; and F=failure. Grades will be calculated based on the amount of points students earn & will be interpreted as: A=900-1000, B=800-899, C=700-799, D=600-699, F=599 and below.

### **Graded Assignment Brief Descriptions:**

1. **Exams (2 @100 points each) and Final Exam (50 points):** Three examinations will be given in order to assess the students' grasp of the material covered in class. Two of the exams will be given during the course of the semester; the final will be given at the end of the semester during Finals Week. FINAL EXAMS MAY ONLY BE TAKEN DURING OPEN TIMES ON FINALS WEEK. You *may* earn an exemption from the final exam if prior to the final you have 800 points or more with no more than 3 absences, OR if you have perfect attendance. Exams will cover lectures, material discussed in class and online, and material from the textbook.
2. **Presentations (400 points):** Several of the most common types of presentations will be required of students. Students will be graded on their mastery of basic speaking principles and criteria given in class. Students will also be graded on their preparation for their presentations. Speech grades will be lowered for tardies/unexcused absences.
3. **Worksheets, Group Project, Quizzes and Evaluations (350 points total):** This is a highly interactive class that will involve a number of supporting activities. Students are expected to not only attend class, but to participate. You are required to bring your pens/pencils, paper, textbook, and syllabus to EVERY CLASS. You will be asked to complete worksheet assignments (5 @ 10 points each), a pre-test quiz (15 points) and complete quizzes for each chapter (9 @ 15 points each). You will also be required to complete and upload a Group Project (100 points). Finally, you will be asked to complete 2 different peer evaluations (10 points each) and 2 self-evaluations (15 points each) of speeches. These assignments, among others, may be in class or online using your Top Hat access. You may record all grades in your syllabus for easy access to your progress in the course.

**I DO NOT USE BLACKBOARD MUCH FOR THIS CLASS.** It is important that you keep track of ALL assignments during the semester in Classavo. Once graded, if you need clarification or have questions, it is your responsibility to provide those documents and visit with me.  
In addition, I do not accept emailed assignments unless instructed to do so when assigned.

**Attendance and Tardy Policy:** Please make sure you have read and understand your Student Handbook for SPC policies. For this course, all students enrolled are expected to attend class regularly, complete online requirements by the posted deadline, be on time for speeches and class meetings, and remain until dismissed. Roll will be taken at each class meeting. If a student is tardy, he/she must see the instructor after class to have the absence mark removed. If a student leaves class prior to dismissal of the class, he/she may be counted tardy or absent. Two tardies equals an absence.

It is the student's responsibility to withdraw from this course if needed. Otherwise, students will be assigned their earned letter grade at the end of the course. Course averages will be updated twice each week, and guidance will be provided throughout the term to help students decide whether they need to drop the class or not. For more information regarding drops/withdrawals, please visit <https://www.southplainscollege.edu/admission-aid/apply/schedulechanges.php>.

**Make-Up Policy:** Generally, late and/or make-up work is NOT accepted. All work has a deadline and deadlines must be met even if the student is absent. When an unavoidable reason for class absence arises, such as illness, family death, emergency, an official trip authorized by the college or an official activity, I **may** permit the student to make up work missed ONLY IF DOCUMENTATION IS PROVIDED. This is especially important for presentations. The student should communicate with the instructor to learn what documentation is acceptable. Each student absence will be dealt with on an individual basis. If a student must be absent, she/he should advise the instructor beforehand if possible and if the student is representing the college, they should have a signed permit from his/her coach or sponsor. In all cases, it is the student's responsibility to complete work missed within a reasonable amount of time as determined by the instructor. Each student must make an appointment to plan for make-up work. **Also, late work may not receive full credit.**
