### **Learning Assessments**

The Department of Communication Studies supports and adheres to college policies of academic excellence as noted in the student handbook. Below you will find a brief description of the six major assessment categories in the course. More information and specific instructions about each assessment will be included in the Units under the Course Menu in Blackboard. Check the Course Schedule to locate specific due dates for each assessment.

## **Course Evaluation**

Grades are calculated on the basis of assigned material. See the Tentative Daily Schedule & the Grade Assignment Sheet for assignments, due dates and point values for assignments. Course units are as follows:

Unit I = Foundations of Communication

Unit II = Interpersonal Communication

Unit III = Group Communication

Unit IV = Public Speaking

### **A Note about Speech and Assignment Grades:**

We hold the same set of grading standards for all students enrolled in this course, regardless of academic major or discipline. Our instructors are trained to utilize standard speech grading rubrics when evaluating your speechwriting and delivery abilities. These rubrics can be found in Blackboard and we encourage you to refer to these documents as you prepare for your speeches so that you will be aware of our assessment methods.

It is also important to acknowledge that this course is unique in several ways. First, there is a performance element present. Knowing about effective communication/public speaking principles does not necessarily mean that one communicates effectively in public speaking settings. Secondly, the course is taught incrementally, meaning that we will gradually introduce more complex theory and application. Third, it is important to note that each student comes into the course with varying levels of public speaking experience and knowledge. Just as some students excel in math, history, science, art, or other disciplines, some students excel in communication and public speaking.

For individual assignments and speeches, you can expect to earn an “A” when you far exceed basic requirements and provide a model of excellence to your classmates, a “B” when you exceed basic requirements and demonstrate depth of application, a “C” when you meet basic/minimum requirements, a “D” when you do not meet basic requirements, and an “F” when you fall significantly short of the minimum requirements or when you do not complete the assignment.

### **Assignment Submissions**

You will submit all assignments through their designated submission link in Blackboard. You are required to title your assignment files in the following format: “lastname\_firstname\_assignmentname.doc”.

### **Late Work Policy**

Discussion boards, learning activities, journal activities, speech uploads, and peer and self-evaluations are due by 11:59pm Central Standard Time on the due date listed on the Course Schedule. Late work will not be accepted. The only exception that will be made will be for extended illnesses or a death in the family. In such instances, you must submit verifiable and official documentation to your instructor (e.g., a doctor’s note indicating an extended illness or extenuating

circumstance). Technological issues are not an excuse for late work. Do your assignments, quizzes and speeches early to ensure you have time for any issues that might arise.

Video Conferences (Live meetings) when you will deliver synchronous speeches, can't be made up, as a major component of the assignment involves the synchronous audience. The only exception that will be made is in the event of a medical emergency. In such instances, you must submit verifiable and official documentation to your instructor (e.g., a doctor's note). If you are unable to commit to the video conferencing on the dates and times listed on the Course Schedule, you will need to drop the course.

## **Technical Difficulties**

### Getting Help

- Information Services Help Desk is available to assist with MySPC sign-in problems, browser errors, and other technical difficulties you may encounter. For technical assistance, please contact IS Help Desk at 806-716-2600 or email them a [helpdesk@southplainscollege.edu](mailto:helpdesk@southplainscollege.edu).
- For student assistance with Blackboard, email [blackboard@southplainscollege.edu](mailto:blackboard@southplainscollege.edu) or call them at 806-716-2180.

### Computer Crash

Not having a working computer or a crashed computer during the semester will not be considered as an acceptable reason for not completing course activities at a scheduled time. Note: Identify a second computer before the semester begins, that you can use when/if your personal computer crashes.

### Server Problems

When the Blackboard server needs downtime for maintenance, the Blackboard administrator will post an announcement in your course informing the time and date. If the server experiences unforeseen problems your course instructor will send an email. The same will occur for Mindtap.

### Lost/Corrupt/Disappeared Files

You must keep/save a copy of every project/assignment on an external disk or personal computer. In the event of any kind of failure (e.g., Blackboard server crash or virus infection, students own computer crashes, loss of files in cyberspace, etc.) or any contradictions/problems, I may/will request you to resubmit the files. In other words, if you submit a document to me, and I either do not receive it (lost in cyberspace) or it is corrupted when I open it, it is incumbent upon you to resend it to me, corrected, with little or no "downtime" in regard to the timeline for submission.

## **Grading**

You can access your grades on the Blackboard Course Menu (My Grades). Grades will be posted after the due date and after all assignments have been graded. Speech Grading Rubrics will be made available to you when speeches are assigned so that you can prepare for your instructor's assessment methods.

Your final grade will be determined as follows:

- To earn an A, you need 895 points
- To earn a B, you need 795 points
- To earn a C, you need 695 points
- To earn a D, you need 595 points

- If your point total is 594 points or less, you will earn an F

If you have questions about or are concerned about a specific grade you earned, you will need to email your instructor or visit him/her in virtual office hours to discuss the grade. If you want to appeal a grade you earned on a specific assignment, you have one week after the grade has been posted in Blackboard to approach your instructor about your questions or concerns. After one week, your instructor will consider the matter closed. When you approach your instructor after viewing your grade, you are expected to have revisited the assignment or speech description, the grading rubric, and the feedback provided to you by your instructor.
