***Course Objectives:***

- 1. This course aims to present some of the most celebrated American authors and their writings and help the student view some of the many facets of American society as they are portrayed in literature.**
- 2. The course will highlight some of the major forms of literature apparent in American novels, short stories, poems, and plays, which include Gothicism, realism, naturalism, and modernism. You will be studying the primary features of these forms of literature.**
- 3. You will understand the major elements of literature as these are highlighted in representative poems, short stories, and plays: theme, symbolism, structure, characterization, point of view, setting, tone, language and sound devices, and others.**
- 4. You will be applying critical thinking to the study of literature and will write test essays and two multi-paragraph papers which involve the inclusion of outside sources that are documented in the APA format.**
- 5. You will receive interactive instruction for preparing well-organized, developed, and grammatically correct papers in the APA format. To learn how to write papers in this format, you will study how to create in-text citations and bibliographies and how to format the paper itself in this style.**

- **Types of Assignments:**
  - (1) Online Tests for Reading Selections
  - (2) Essay Writing Assignments (Test Essays and a Multi-Paragraph Paper, All of which include APA Citations)

\*These assignments will vary in percentage value in the calculation of your averages.
- **Handling of Late Work and Computer Problems**

All students must turn in every assignment or take any online test by the deadline. I do not accept any late papers or allow students to take tests that they miss unless a dire circumstance arises, such as personal illness or a death in the family. Students must contact me, the instructor, by phone or e-mail prior to the deadline of the assignment if such an emergency does occur.
- **Methods of Evaluation**
  - (1) Students' work will be evaluated by means of this scoring system: A (90-100); B (80-89); C (70-79); D (60-69); F (59 and below).

(2) Students' essay assignments will be graded in *Blackboard's TurnItIn Assignments*.

(3) Students will be able to know current averages by referring to *My Grades* in *Blackboard*. Throughout the semester, students will be notified by email when grades have been updated.

***Attendance Policy:***

- Students are expected to read assignments, take tests, and prepare essays by the assigned deadlines. There are no exceptions to this rule unless a dire circumstance arises, such as a death in the family or personal sickness or bodily injury. Students should contact me prior to or on the day of a deadline for a test, paper, and so forth if such if one of these situations arises. Failure to contact me within this acceptable time frame will result in a 0 for that assignment. You may contact me by phone: 806.716.2190, gbryant@southplainscollege.edu. or in Blackboard's Course Messages. When you call the office for any reason, give your full name and the name of the course in which you are enrolled.
- The instructor will drop students who fail to submit five or more consecutive or nonconsecutive assignments. If you acquire five or more missed assignments after the final drop date, which is April 25, 2019, you will receive an F for the course. This date is the last day that I, your instructor, may drop a student from the course as well.

You will also be dropped from the course if you use threatening, abusive, disrespectful, or inappropriate language in your course messages in emails or in phone texts or phone calls to other students or your instructor. You will also be dropped from the course if your course work contains such language as well.

**Other Information about Drops and Withdrawals:**

During pre-registration, open registration, and late registration periods, you may add and drop a course online by into MySPC and accessing *TexanConnect*. Please note the following: You cannot add, drop, or switch courses through *TexasConnect* after the registration period is over.

Once the registration period ends, drops must be made in person with a picture ID through the Admissions and Records Office located in the Student Service Building at the Levelland campus. At the Reese campus, students must report to the Advising Center in Building 8. Students at the Lubbock Center should contact the advisor at the center, and students at the Plainview Center should contact the main office. (There is a drop fee (cash or money order only).

**Below are the office hours for these locations:**

Monday-Friday (8 am-4 pm)

**\*All of the offices will be closed during designated holidays. (Check your course calendar for these holidays.)**

- **All students who submit every assignment by the deadline will have 3 points added to the final average. Each of these assignments must have all questions answered (scoring at least a 50 or higher) and meet the conditions of the assignments. This policy is one I use since employers advance their employees for consistency, reliability, punctuality, and hard work. These qualities are the ones that contribute to people's success in any tasks they do!**

***Plagiarism and Cheating Policy:***

- **“Complete honesty is required of the student in the presentation of any and all phases of course work. This idea applies to quizzes of whatever length as well to final examinations, to daily reports, and to term papers” (SPC General Catalogue, p. 23).**
- **Cheating: “Dishonesty of any kind on examinations or on written assignments, illegal possession of examinations, the use of unauthorized notes during an examination, obtaining information during an examination from the textbook or from the examination paper of another student, assisting others to cheat, alteration of grade reports, illegal entry of unauthorized presence in an office are examples of cheating” (General Catalog, p. 23).**

**Cheating violations include but are not limited to the following:**

1. **Obtaining an examination by stealing or collusion (agreement from the person or persons providing the information)**
  2. **Discovering the content of an examination before the test is given**
  3. **Using an unauthorized source of information (notes, textbook, text messaging, the Internet)**
  4. **Entering an office or building to obtain unfair advantage**
  5. **Taking an examination for another student**
  6. **Altering grade records**
  7. **Copying another student's work during an examination or on a homework assignment.**
- **Plagiarism: “Offering the work of another as one's own, without proper acknowledgements, is plagiarism; therefore, any student who fails to give credit for quotations or essentially identical expression of material taken from books, encyclopedias, magazines and other reference works, or from the themes, reports, or other writings of a fellow student [or another person], is guilty of plagiarism” (General Catalog 23).**

**Plagiarism violations include but are not limited to the following:**

1. Turning in a paper that has been purchased, borrowed, or downloaded from another student, an online term paper site, or a mail order term paper mill.
  2. Cutting and pasting information from books, articles, other papers, or online sites without providing proper documentation.
  3. Using direct quotations (three or more words) from a source without showing them to be direct quotations and citing them.
  4. Giving an in-text citation only at the end of a paragraph.
- This instructor deems work as plagiarized if the students fail to write their own essays, copy responses from another student's paper, or receive help from someone else to complete any assignment. These situations are some of the most common forms of plagiarism.
  - "Except in extreme cases, disciplinary action in cases of cheating or plagiarism will be handled by and at the discretion of the instructor, and, if necessary, in consultation with the departmental chairperson." If you turn in a plagiarized paper, you will receive a *O* for that assignment.

***Disability Policy:***

***Diversity Policy:***

In this class, I will endeavor to establish and support an environment that values and nurtures individual and group differences and encourages engagement and interaction.

**Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all participants to learn about others, about the larger world, and about themselves.**
