**GENERAL COURSE INFORMATION:**

ENGL 0301 Basic Developmental English

Purpose:

This is a course in fundamental English for students as a result of the score on the writing section of the TSI Assessment test or on another writing placement test. ENGL 0301 is designed to help students begin to develop college-writing skills and focuses on idea generation, organization, drafting, revision, and utilization of Standard English. The course provides a basic review of English grammar, focusing on spelling, punctuation, correct word choice, and various types of sentence construction, and covers major errors, such as fragments, run-on sentences, subject-verb agreement, and pronoun errors. It also provides practice in writing and revising various types of paragraphs.

Learning Outcomes: Upon the successful completion of this course, students will:

1. Compose a variety of texts that demonstrate clear focus, the logical development of ideas, and the use of appropriate language that advances the writer's purpose.
2. Determine and use effective approaches and rhetorical strategies for given writing situations.
3. Generate ideas and gather information relevant to the topic and purpose, incorporating the ideas and words of other writers in student writing using established strategies.
4. Evaluate relevance and quality of ideas and information to formulate and develop a claim.
5. Develop and use effective revision strategies to strengthen the writer's ability to compose college-level writing assignments.
6. Edit writing to conform to the conventions of Standard English.

Tardies may be counted as absences if they are prolonged or excessive. Any student whose absences total two weeks of class may be dropped from the course.

**ACADEMIC INTEGRITY:** The guidelines for academic integrity set forth in the current South Plains College catalogue will be followed, but perhaps one specific category should be addressed here: plagiarism and cheating. According to the SPC catalog, complete honesty is required of the student in the presentation of any and all phases of course work. This applies to quizzes of whatever length as well as to final examinations, to daily reports and to term papers. Failure to comply with this policy will result in an "F" for the assignment and can result in an "F" for the course if circumstances warrant.

GRADING POLICY: Final course grades will be calculated using the following percentages :

Exams	50%
Writing Assignments	35%
Final Exam	15%

GRADING SCALE:	100-90= A	Superior

ASSIGNMENTS/MAKE-UP TEST POLICY: Any out-of-class writing assignments must be completed and turned in on the date due. No papers will be accepted after that.** All missed exams must be made up within one week, during an arranged time.
