Attendance Policy:

Students are expected to attend all sessions in order to be successful in the course.

When an unavoidable reason for class absence arises, such as illness, an official trip authorized by the college or an official activity, the instructor may permit the student to make up missed work. It is the student's responsibility to complete work missed within a reasonable period of time as determined by the instructor. Students are officially enrolled in all courses for which they pay tuition and fees at the time of registration. Should a student, for any reason, delay in reporting to a class after official enrollment, absences will be attributed to the student from the first day of class.

General Course Information:

The student is expected to be prepared for each session and to progress at his or her own rate throughout the semester. Music majors are required to attend recitals as required by the Fine Arts Department.

Grading:

The final grade will be based on attendance, a weekly grade from each lesson, a mid-term exam, and a final exam representing the material covered in the lessons. Music majors will be required to meet the Recital Attendance/ Performance requirements for each semester of enrollment in private lessons. See below for more details.

Recital Attendance:

The student is required to attend recitals as follows: every Thursday afternoon student recital and 75% of other evening recitals, such as faculty / guest artist recitals, jazz band / symphonic band concerts, and choir concerts. Your recital attendance slips of each recital will be collected by a stage crew after the recitals.

The student will be penalized as follows for failing to meet this requirement.

The student's private lesson grade in his/her principal applied area will be lowered by one letter grade for every Thursday afternoon recital missed. Additionally, if the student attends fewer than the required 75% of

evening recitals, the private lesson grade will be lowered for every missed recital under the 75%. Whether or not an absence is excused, will be determined by the student's studio teacher.

Otherwise, students will be assigned their earned letter grade at the end of the course.
