TEACHING PRESENTATION

Each student will be given a specific topic to teach the class this semester. Students can teach their topic face to face, via livestream, or have a prerecorded presentation. Presentations should last at least 10 minutes and should be creative and interactive (with proper social distancing and safe practices). More guidelines will be given in class.

FINAL PROJECT

At the end of the semester, the class will present one final sight singing project. Guidelines for final projects will be discussed in further detail in class.

ATTENDANCE AND PREPARATION

Enrollment for this class allows for all students to meet all together while maintaining safe social distance guidelines. Lectures will be provided in a face-to-face format, while simultaneously being available on Blackboard Collaborate. Lectures will be recorded in case the student is not able to watch the live stream of the lesson. We will work on assignments and dictation in class while simultaneously making the most of the online resources available with your textbook.

For this semester, attendance will not be a part of the overall final grade. Participation is KEY to success in this course. If a student has not attended class, not logged in to Blackboard, not turned in multiple assignments, and not contacted the instructor for 3 weeks, the student may be administratively dropped from the course.

We will work face to face as much as possible. I would like to use Sight Reading Factory so that we are not singing together in a small space (singing is one of the worst offenders of spreading Covid 19). There may be days where I schedule students to come at staggered intervals in order to sing sight reading exercises live with only me in the room to practice safe social distancing.

COVID-19 PROCEDURES

It is the policy of South Plains College for the Spring 2021 semester that as a condition of on-campus enrollment, all students are required to engage in safe behaviors to avoid the spread of COVID-19 in the SPC community. Such behaviors specifically include the requirement that all students properly wear CDC-compliant face coverings while in SPC buildings including in classrooms, labs, hallways, and restrooms. Failure to comply with this policy may result in dismissal from the current class session. If the student refuses to leave the classroom or lab after being dismissed, the student may be referred to the Dean of Students on the Levelland campus or the Dean/Director of external centers for Student Code of Conduct Violation. Students who believe they have been exposed or may be COVID-19 positive, must contact Health Services, DeEtte Edens, BSN, RN at (806) 716-2376 or dedens@southplainscollege.edu.

ILLNESS

All students, employees and campus visitors will be required to do a self-screening prior to entrance into any SPC building. If at any time during this semester you feel ill or come in to contact with someone who has tested positive for Covid-19, in the interest of your own health and safety as well as the health and safety of your instructors and classmates, you are encouraged not to attend face-to-face class meetings or events. Lectures will be posted on Blackboard so that any student who is ill or in quarantine can keep up with material covered in class. Please review the steps outlined below that you should follow to ensure your absence for illness will be excused. These steps also apply to not participating in synchronous online class meetings if you feel too ill to do so and missing specified assignment due dates in asynchronous online classes because of illness.

If you test positive for Covid-19, you must contact DeEtte Edens, BSN, RN at (806)716-2376 or dedens@southplainscollege.edu. If you have been in close contact with someone who has tested positive for Covid-19, contact Nurse Edens.

STUDENT CONDUCT

- **CLASSROOM CONDUCT**
 - Failure to comply with lawful discretion of a classroom teacher relative to maintaining good order is considered misconduct on the part of the student. Repeated violations of disrupting a class may result in the student being dropped from that course. Please refer to the student handbook for further rules and regulations on student conduct.
 - **CELL PHONES:** Cell phones should be silenced and stored away during voice lessons, unless being used for recording for practice purposes. If there is an emergency that you need access to your phone, please discuss with the instructor prior to your lesson time
- **ACADEMIC INTEGRITY**
 - It is the aim of the faculty of South Plains College to foster a spirit of complete honesty and a high standard of integrity. The attempt of any student to present as his or her own any work which he or she has not honestly performed is regarded by the faculty and administration as a most serious offense and renders the offender liable to serious consequences, possibly suspension.
 - **CHEATING:** Dishonesty of any kind on examinations or on written assignments, illegal possession of an examination from the textbook or from the examination paper of another student, assisting others to cheat, alteration of grade records, illegal entry or unauthorized presence in an office are examples of cheating. Complete honesty is required of the student in the presentation of any and all phases of coursework. This applies to quizzes of whatever length, as well as to final examinations, to daily reports and to term papers.
 - **PLAGIARISM:** Offering the work of another as one's own, without proper acknowledgement, is plagiarism; therefore, any student who fails to give credit for quotations or essentially identifiable expression of material taken from books, internet resources, encyclopedias, magazines and other reference works, or from the themes, reports or other writings of a fellow student, is guilty of plagiarism.
