Do not discard! You will need to refer to this occasionally

This course will incorporate a multitude of functional strength and cardiovascular activities, as well as lectures on safe lifting, terminology and nutrition to provide students with the necessary tools to improve personal fitness and take responsibility for long term health.

Required Supplies: Thin spiral notebook and measuring tape.

Dress Code:

- Athletic attire
 - o Shirts must provide full coverage.
 - o Short, cheeky, or booty shorts are NOT acceptable. You will be asked to leave.
 - o Longer shorts or workout tights are preferred.
 - o Beware of big legged shorts also. Keep your private parts PRIVATE!
 - o Men: Compression shorts are recommended
 - o Women: A quality sports bra is recommended.
- Pull long hair back.
- Long fingernails and weight training don't mix.
- Athletic shoes are required. Open toe shoes, sandals, or jeans will not be allowed.
- We are here to work, so wear clothes that are up to the task!

General Guidelines:

- Water only. No other food or drinks allowed (unless you need a medical exemption). We will not take water breaks during class. If you want water, bring it with you.
- No headphones, unless class is given unstructured time to work out independently.
- Do not eat a heavy meal prior to this class, but make sure you have eaten!
- There is no whining in weight training. If you don't want to sweat, please drop the class and register for bowling or archery!
- We will utilize every single minute of our class time, because I want you to get your money's worth. Once you arrive, get busy warming up, getting equipment set up, etc... ☐ Do not use equipment you have not received instruction on.
- No horseplay!
- We will work out as a team. Support and encourage your classmates throughout the semester. Bring a positive attitude with you to class every day!
- You will get out of this class, what you put into it. The harder you work, the better the results! The workouts will be scaled according to each individual's current ability and fitness level. It is only YOU vs. YOU!
- Every tardy or instance of using bad language will result in 20 burpees!

Personal Hygiene: Let's face it... We all stink after a hard workout, but you shouldn't clear the room! We will be sweating a lot! Shower regularly, wear clean workout clothes and apply fresh deodorant before class. Athletic attire made of a high polyester % holds odor so I recommend a cotton/ poly blend. Please don't get your feelings hurt, if I tell you that your clothes stink!
