Purpose: To have each student complete the objectives in the activity of intermediate archery through current literature, instructor demonstration and class participation. Emphasis on class competition, outdoor target shooting, 3-D target practice and optional off campus archery competition. Introduction to compound bows.

General rules:

- No foul language
- No inappropriate clothing
- No food or drink within the gym
- No cell phones or communications devices to be used
- No disruptive behavior

Violation of these rules will result in a warning for the first offense, second offense and expulsion from the class on the third offense.

If expelled from the class the student will have to meet with the teacher before being allowed back in the classroom.

Equipment and/or text needed for this class: There is no textbook required. The instructor will provide written information for the class. The college will provide all archery equipment but strongly suggests you purchase your own archery gloves and arm guards. You can use your own equipment (recurve bows only).

Injuries/medical: If they occur during class, report the injury to the instructor immediately. If you incur an injury outside of class or have an illness or medical condition that will affect your daily activity inform the instructor to make alternative assignments.

Course Learning Objectives:

Each student will demonstrate knowledge and understanding of terminology and safety of archery.

Each student will demonstrate knowledge and assignments understanding of the archery equipment and the skills to use it properly.

Each student will demonstrate the skills of shooting testing including stance, knocking the arrow, sight adjustments, drawing, aiming, anchor point, release and improvements on skills post tests.

Each student will demonstrate knowledge of observation scoring and tournament rules for competitions.

Each student will understand the relationship between testing muscles , skeletal system and the movements of the activity
