Blackboard is the computer software used to deliver this course. It is essential that you have reliable access to the Internet, Microsoft Word, Power Point, Excel, Adobe, etc. It is the student's responsibility to verify that assignments and assessments are accessible. You will have deadlines set for you throughout the semester. If you wait until a few hours before assignments are due and have technical difficulties, they may not be corrected in time to get credit for the assignment. Have a backup plan in place should you encounter computer problems. There are open computer labs available to all enrolled SPC students on all campuses. It is also the student's responsibility to have the required computer skills to complete this course. You must be able to download and attach files, watch videos, etc. Should you encounter technical difficulties contact the SPC technical support at (806) 716-2180 or email blackboard@southplainscollege.edu. Be sure to include course and section number information when contacting technical support. If you are not a self-motivated student, online classes are most likely not for you!

Unit Instructions:

There will be 3 units listed under this tool. These unit instructions will list everything you need to complete for each unit and chapter, including due dates.

** I expect you to read the chapters assigned. This exposes you to the material and makes it easier for you to understand the power point slides and take good notes. Plan ahead, and do not wait until the last minute to submit your assignments. Excuses for late work, such as "The network was down," or "I could not figure out how to post or send the assignment" are not acceptable.

*** All written assignments should be presented using the conventions of Standard Written English. South Plains College requires all students to become proficient in "academic English," a form of English that is typically used in academic, professional, and business contexts. While slang and informal kinds of self-expression are appropriate in some contexts, they are out of place in academic writing.

Administrative Drop Policy: Due to Financial Aid and South Plains College requirements for participation/attendance a student who fails to turn in 6 assignments during the semester may be dropped from the course with a grade of "X" or "F" (at my discretion). If missed assignments occur after the final drop date the grade will be "F." **NOTE: You may be dropped from this course without notice if you miss the due dates for any combination of any assignments and/or discussions totaling 6 or more.**

Academic Integrity: Students are expected to maintain complete honesty and integrity in their experiences in the course. Please read and understand the SPC policy regarding academic integrity and honesty found on page 23 of the SPC General Catalog.
