Course Description: A survey of the social, political, economic, cultural, and intellectual history of the United States from the pre-Columbian era to the Civil War/Reconstruction period. United States History I includes the study of pre-Columbian, colonial, revolutionary, early national, slavery and sectionalism, and the Civil War/Reconstruction eras. Themes that may be addressed in United States History I include: American settlement and diversity, American culture, religion, civil and human rights, technological change, economic change, immigration and migration, and creation of the federal government.

Course Objectives addressed:

1. **critical thinking:** to include creative thinking, innovation, inquiry, and analysis, evaluation, and synthesis of information.
2. **communication:** to include effective development, interpretation and expression of ideas through written, oral and visual communication.
3. **social responsibility:** to include intercultural competence, knowledge of civic responsibility, and the ability to engage effectively in regional, national, and global communities.
4. **personal responsibility:** to include the ability to connect choices, actions, and consequences to ethical decision-making.

Course Purpose: To acquaint students with the diversity of American history and to promote critical thinking in interrelating the past to the present. Fundamentally, the course promotes general understanding of a body of knowledge any literate person should possess about the history of his own country.

Course Requirements: To maximize a student's potential to complete this course, he/she should attend all class meetings, complete all homework assignments, complete **ALL** reading assignments and examinations in a timely manner, and complete all other projects or papers as assigned in the instructor's specific instructions.

Required Text:

Foner, Eric. *Give Me Liberty! : An American History*. W. W. Norton & Company, 2014.

Various Articles as assigned

Course Evaluation: Students will be graded through reading quizzes, free response essays (FRQs), document-based questions (DBQs), multiple choice exams, and other daily assignments. Essays must be typed (double spaced) or written in an ink that is legible. Essays will vary in

length depending on the topic and are graded on content, use of documentary and outside supporting evidence, grammar, spelling, and evidence of critical thinking. **All graded work will be turned back to the students within 1 calendar week. Do not ask for your grade until this time frame has passed.**

Grade Categories:

Formative Assessments

40%

Summative Assessments

60% (4/six weeks)

Formative Assessments include reading quizzes, Quickwrites, and other daily work.

Summative Assessments include multiple choice tests, FRQs, DBQs, major presentations, and any other assessment design to evaluate a student's learning for an entire unit.

RETAKE POLICY: All summative and formative assessments can be retaken to raise any grade below 70 to a 70 with the exception of reading quizzes. The reason for this is that all students are highly encouraged to take reading notes for all reading quizzes and are allowed to use them on their quizzes. I allow this because it is imperative that they read their required assignments outside of class in order to be prepared to engage in rigorous tasks that will allow for critical thinking during class. The policy is in accordance with CHS grading policy.

Attendance Policy: Whenever absences become excessive and in the instructor's opinion, minimum course objectives cannot be met due to absences, the student will be withdrawn from the SPC course. It is suggested that no student miss this class more than 3 times. If you are absent, it is your responsibility to make up any missed work. Any student will have **2 full school days per day missed** to turn in any missed work. **Any work that is missed and is not turned in within the allotted time period will be considered late.** (See late work policy below). In order to get missed assignments, students need to get them from the pink box in the class the first day the student returns to class.

Late work: All work is due as soon as the instructor asks for it on its due date. If work is not turned in when the teacher asks for it, it is considered late. Late work will be subject to a penalty of **20 pts off per class day** that it is late. If work is not turned in when the teacher asks for it, it is automatically 1 day late.

Missed Exams: If a student misses an exam they must make an appointment with the teacher to retake it. They will have only 1 week to get it made up or it will be considered late and subject to the 10 pt. penalty per day after a week has passed.

Class Rules and Expectations:

1. Be respectful to everyone
2. Come Prepared to Class
3. Be On Time.
4. No Use of inappropriate language or gestures. See No. 1 for reference.

Academic Dishonesty:

A student found to have engaged in academic dishonesty shall be subject to grade penalties on assignments or tests and disciplinary penalties in accordance with the Student Code of Conduct Level II Consequences. Academic dishonesty includes cheating or copying the work of another student, plagiarism, and unauthorized communication between students on any formal assessment (formative and summative). If the student found to be engaged in academic dishonesty is enrolled in dual-credit, the student will be immediately withdrawn from their SPC course by the teacher in accordance with SPC policy. The determination that a student has engaged in academic dishonesty shall be based on the judgment of the classroom teacher or another supervising professional employee, taking into consideration written materials, observation, or information from students.

Accommodations:

It is the policy LISD and SPC to make every effort to accommodate students with regard to any disabilities. Students should have a conference with the instructor at the beginning of the semester if special seating or other modifications are needed. The goal of this course is to provide each student with the opportunity to succeed in college-level academics.
