Levelland, Texas

Congratulations on advancing to the Regional Meet and welcome to the campus of South Plains College. We are pleased to host the 2026 Region I-A UIL academic and athletic meets. This is SPC's 54th year to host one or more of these events, and we are happy to have you on campus as an honored guest.

We recognize that you and your students have invested a great deal of time, energy, and talent to advance to this level of competition. Our contest directors in both academic and athletic competitions have made a special effort to prepare for your participation on the regional level. It is our goal that you find the competition exciting, the people and facilities supportive of each event, and the contests fair.

While you are on campus, I hope you will take time to tour our campus and become better acquainted with the excellent educational programs we offer. General information about South Plains College will be available in the Student Center during the academic meet for interested students planning their college education. If the Director General, Lynne Cleavinger, or I can do anything to make your visit to South Plains College more enjoyable, please let us know.

Once again, congratulations and best wishes for success in each contest.

Sincerely,

A handwritten signature in black ink that reads "Robin Satterwhite".

To receive a copy of results/materials bring a self-addressed stamped envelope and give it to the contest director. These will be mailed as soon as possible the week after the contest. REGIONAL ACADEMIC ENTRIES, ALTERNATES AND SUBSTITUTIONS

Entries

The district academic meet director's online results constitute a school's official entry in the regional meet for contests advancing from the district meet.

Alternates

The UIL Academic Contest Substitute Eligibility Form **MUST** be filled out and submitted for alternates and follow the UIL alternate guidelines below. The form can be emailed to the regional academic director as soon as the schools know and confirm the alternate. Please ensure the form is attached to help ensure accuracy. The UIL Academic Contest Substitute Eligibility Form is located on the second to last page of this handbook.

If a qualified contestant placing first, second or third is unable to participate in the regional meet, the qualifier's designated administrator shall notify the district academic meet director in writing. The district academic meet director shall contact the regional director as well as the next lower place finisher, who shall become qualified to represent the district. Once an alternate has been designated as a contestant, the original qualifier is not eligible to be reinstated unless the alternate cannot compete. Alternates who are not taking the place of an absent qualifier shall not be allowed to participate in the competition.

Substituting Team Members

If a qualified teammember is unable to participate, refer to Section 902 (h)(3) of the UIL Constitution.

QUALIFICATION. District winners in each contest qualify to the regional meet from each conference according to Section 902 of the constitution. Team members are eligible to compete for individual honors at each level, regardless of whether they advanced as a member of the team or as an individual.

REGIONAL ACADEMIC CHAMPIONSHIP. The school in each region with the highest total points for all regional level academic events shall be named the regional academic champion and awarded a trophy. Points shall be awarded according to Section 902 of the constitution. No school shall be eligible for the regional academic championship that does not place in more than one event.

UIL No Show Policy

A list of absent contestants will be reported to the state UIL office from each academic event. It is vitally important that you notify the regional director in advance if a contestant will be unable to attend the regional competition.

Registration

On the day of the Regional Meet there will be NO registration headquarters. Coaches and sponsors are expected to have students report to locations at the times listed in the *Regional Meet Handbook*. Each Contest Director will have a list of those eligible for that event and will call roll at the starting time of the event.

Accommodations

Students with disabilities that require accommodation(s) under the ADA/504 must file a request in the State UIL Office at least five days prior to the District Meet. The Regional Director's Office must be notified at least five working days prior to the day of the Regional Meet. The Regional Director can ensure accommodations are provided based on state UIL documentation.

The Regional Meet Schedule of Fees

Fees

To simplify the accounting procedure for the Regional Meet entry fees, the Spring Meet District Chairperson for each UIL district represented in the region should send **one** check to cover all the schools in the district. This one check covers the entry fees for both the academic events and the athletic events (golf, tennis and track). A separate One-Act Play entry fee is added to the districts which have a competing play. The district chairperson then asses each member school in the district according to each district's procedures.

Collection of Fees

District Directors please submit one payment for all regional charges payable to South Plains College by **May 15, 2026**. Mail payment to:

Dr. Lynne Cleavinger
South Plains College
Box 120
1401 S. College Ave.

FOR HELP AND USER GUIDE:

<http://www.directathletics.com/help.html#>

Attention All Athletic Directors, Coaches, Area Directors, and anyone else involved with the Area Meet:

For South Plains College to provide a smooth Championship experience for your teams at the Region 1-1A track meet, there are certain things that must be done, beginning at the Area Meet.

1. Hy-Tek Track and Field Meet Manager Software MUST be used. If you do not have this software, you may purchase it at <http://www.hy-tekltd.com/track/winmm/index.html>. This is the only software that may be used and typed entries will not be accepted! Various schools through the Region have the software and there are also timing companies that may be hired to provide the service.
2. Once you have the Hy-Tek software, it is required that you format and set-up the meet according to the standard explicitly implied by the UIL. Now that there are two divisions in 1A, it is up to the area director/ area meet coordinator to ensure the meets are setup correctly. It is up to each area to know which teams are classified Division 1. To properly label the divisions in the area meet, follow the steps below:
 - a. On the home page, click Set-Up (top menu bar, second option from left)
 - b. On the Set-Up menu, click Division/Region Names
 - c. On the Division/Region Names menu, click Divisions
 - d. On the Divisions menu, there will be columns to declare your divisions
 - i. Division 1 should use Code 1A and Division Name 1A
3. In the Events menu, you must set up the meet in order and with the specific event numbers mandated by the UIL and associate them with the division in which you compete.
 - a. Division 1 will use event numbers 101-134 (see attachment)
4. Date Entry Check List:
 - a. Please check that all athlete names are spelled correctly with correct capitalization (ex. John Doe is correct...NOT JOHN DOE or john doe).
 - b. The “year in school” should be included for each athlete in the following format :09 for 9th grade, 10 for 10th grade, 11 for 11th grade and 12 for 12th grade.
 - c. Relay team members and any alternates (maximum of 6 names) must be included in the database. All names should be entered at the regional level.
 - d. The use of relay cards for final declaration is highly recommended.
 - e. Input names of the relay team members under each relay, including the relay alternates.
 - f. MUST run an entry list report before prelims and finals to determine if any event limitations exist for an athlete.
5. The proper school codes, as required by the UIL, must also be used. The proper school codes for your area schools may be found at <http://www.uiltexas.org/files/athletics/track-field-codes.pdf>
 - a. The school codes must be used for the Hy-Tek program to work properly. The school code and school name must be identical to the UIL list. Do not put “HS” or “High School” after the school names. The Hy-Tek program does not identify the school unless both of these items are typed correctly.
