Using this Transfer Advising Guide with LCU

This Transfer Advising Guide represents LCU's degree plan and is subject to change at the university's discretion. It is intended for advising purposes only so students know exactly which courses they can take at South Plains College and have the courses count towards degree requirements when they transfer to LCU. It is highly recommended that students meet with their assigned academic advisor to review all graduation and transfer requirements listed in the Transfer Advising Guide. The ultimate goal is to provide students with accurate information for transfer pathways while minimizing loss of credits in transfer. Students are encouraged to review LCU's requirements frequently. The Transfer Advising Guide is based upon LCU's Catalog and is subject to change.

Students who are not TSI-compliant in math are advised to take the MATH0314/MATH1314 corequisite. Successful completion will grant TSI-compliance in math and college-credit for MATH1314.

Additional Advising Notes:	• Make an appointment with an academic advisor of the major, once accepted to LCU, in order to clarify department, university policies and procedures, to review course sequencing, and to help with identifying resources for academic success. • Refer to the official source of information on specific courses within the LCU requirements of this degree plan from the LCU Undergraduate Catalog or visit the web site at www.lcu.edu. • Read the LCU Undergraduate Catalog. • Pay close attention to course sequencing and availability at LCU as it will affect the time it takes to complete the degree program.
Applicable Transfer Credit Hours	
Evaluation of course credit earned at other institutions by the LCU Transfer Evaluation Office does not decree approval of the credit for use toward degree requirements. Only the academic dean of the college offering the program in which a student is enrolled has authority for determining which courses will be applied toward any specific program. LCU accepts and gives credit for all courses to be transferred from South Plains College, providing the grade received is a C or higher. We cannot however, grant credit for technical or intermediate/remedial classes. Financial aid is available at LCU and more particularly, academic scholarships are given for a cumulative grade point average of 2.7 or higher.
