#### Using this Transfer Advising Guide with Texas Tech University

This Transfer Advising Guide represents Texas Tech's degree plan and is subject to change at the university's discretion. It is intended for advising purposes only so students know exactly which courses they can take at South Plains College and have the courses count towards degree requirements when they transfer to Texas Tech. It is highly recommended that students meet with their assigned academic advisor to review all graduation and transfer requirements listed in the Transfer Advising Guide. The ultimate goal is to provide students with accurate information for transfer pathways while minimizing loss of credits in transfer. Students are encouraged to review Texas Tech's requirements frequently. The Transfer Advising Guide is based upon Texas Tech University's catalog and is subject to change.

## Degree Information

### TSI - Compliance

Students who are not TSI-compliant in reading or English are advised to take the INRW0300/ENGL1301 corequisite. Successful completion will grant TSI-compliance in these areas and college-credit for ENGL1301. ENGL1302 requires a 'C' or better in the corequisite or approval by the English Chairperson. Students who are not TSI-compliant in math are advised to take the MATH0332/MATH1332 corequisite. Successful completion will grant TSI-compliance in math and college-credit for MATH1332.

### Texas Tech University Uniform Graduation Requirements

#### Foreign Language Requirement

*Students graduating from Texas Tech University should be able to express, negotiate, and interpret meaning in a second language.*

An SPC student, who has not earned two years of a single foreign language in high school, can take SPAN1411 and SPAN1412. For any SPC student who has earned two years of a single foreign language in high school, no further foreign language is needed for this degree. The TTU foreign language requirement can be satisfied by completing these required courses at SPC.

#### Science Laboratory Requirement

Students graduating from Texas Tech University are required to complete two semester credit hours of science laboratory courses. Normally this will be done by taking two 4-credit science courses or combinations of lecture and lab.

#### Core Curriculum and Communication Literacy Requirement

Core Curriculum Requirement: Students will complete the required core curriculum.

### Texan to Red Raider Program

**Texan to Red Raider Website:** <https://www.southplainscollege.edu/texantoredraider/>

Students transferring to Texas Tech can take advantage of the Texan to Red Raider program. Students who apply to TTU as a non-degree seeking student can be dual enrolled in classes at both institutions.

The following courses are approved for dual enrollment for this major:

HUSC 1100 – Introduction to Human Sciences

NS 1201 – Introduction to Dietetics

NS 2310 – The Science of Food

Prerequisites do apply.

SPC students are encouraged and invited to apply to the TTU Honors College. The Honors College utilizes a holistic review process in which all application materials are considered before a decision is awarded. As an SPC Honors student, the following information may prove useful: TTU will apply up to 12 hours of SPC-approved Honors credit, with a grade earned of B- or higher in each course, towards completion of the 24 TTU Honors hours. Students must apply to the Honors College and can also receive a fee waiver for the \$35 application fee to the Honors College. Honors students at SPC can contact Honors.Admissions@ttu.edu about having the application fee waived. Explore the opportunities offered through the TTU Honors College.
