Using this Transfer Advising Guide with Texas Tech University This Transfer Advising Guide represents Texas Tech's degree plan and is subject to change at the university's discretion. It is intended for advising purposes only so students know exactly which courses they can take at South Plains College and have the courses count towards degree requirements when they transfer to Texas Tech. It is highly recommended that students meet with their assigned academic advisor to review all graduation and transfer requirements listed in the Transfer Advising Guide. The ultimate goal is to provide students with accurate information for transfer pathways while minimizing loss of credits in transfer. Students are				

Degree Information	
Bachelor of Applied Arts in Commerical Music Partnership	
The Bachelor of Applied Arts in Commercial Music is a dynamic partnership between Texas Tech University School of Music and South Plains College Creative Arts Department. This partnership is designed for students wishing to pursue careers in popular, global, jazz, and contemporary genres. The program begins at SPC with the Associate of Applied Arts degree in Commercial Music. SPC is known for its distinguished alumni who have collectively won over 40 Grammy awards. After completion of the AAA in Commercial Music students seamlessly transfer to TTU for two years of upperlevel courses in applied performance and music-related technology. The result is an affordable and competitive four-year degree combined with a complete readiness to enter a career in live music.	
Additional information concerning this partnership is available at: https://www.depts.ttu.edu/music/programs/undergraduate/bachelor-applied-arts-	
TSI - Compliance	
Students who are not TSI-compliant in reading or English are advised to take the INRW0300/ENGL1301 corequisite. Successful completion will grant TSI-compliance in these areas and college-credit for ENGL1301. ENGL1302 requires a 'C' or better in the corequisite or approval by the English Chairperson. Students who are not TSI-compliant in math are advised to take the MATH0332/MATH1332 corequisite. Successful completion will grant TSI-compliance in math and college-credit for MATH1332.	
Texas Tech University Uniform Graduation Requirements	
Foreign Language	
<i>Students graduating from Texas Tech University should be able to express, negotiate, and interpret meaning in a second language.</i> An SPC student who has not earned two years of a single foreign language in high school can take SPAN1411 and SPAN1412. If the student has earned two years of a single foreign language in high school no further foreign language is needed for this degree. The TTU foreign language requirement can be satisfied by completing these required courses at SPC.	
Science Laboratory Requirement	
Students graduating from Texas Tech University are required to complete two semester credit hours of science laboratory courses. Normally this will be done by taking two 4-credit science courses or combinations of lecture and lab.	
Core Curriculum and Communication Literacy Requirement	
Communication Literacy Requirement: Students will complete the required communication literacy requirement. Core Curriculum Requirement: Students will complete the required core curriculum.

Additional Advising Notes:	Refer to and read the TTU Undergraduate Catalog. Pay close attention to course sequencing and availability at TTU as it will affect the time it takes to complete the degree program.

Applicable Transfer Credit Hours

Evaluation of course credit earned at other institutions by the TTU Transfer Evaluation Office does not guarantee approval of the credit for use toward degree requirements. Only the academic dean of the college offering the program in which a student is enrolled has authority for determining which courses will be applied toward any specific program. The only exception to this rule is that no transferred course completed with a grade below C- may be applied to fulfill course requirements in majors, minors, or concentrations. Applicants must submit official records from all accredited institutions attended. Official transcripts must be sent directly to the Office of Undergraduate Admissions. All college-level, non-vocational courses completed with a passing grade of D or above at regionally accredited colleges and universities (not including trade or technical schools) will be evaluated for acceptance of transfer credit by the TTU Transfer Evaluation Office. The TTU Transfer Evaluation Office determines acceptable transfer credit on the basis of an evaluation of course content as described from the sending institution's catalog and in consultation with the appropriate academic units at Texas Tech University as necessary for clarification. While all credit hours presented on the sending institution's transcripts will be evaluated and equivalent college level courses posted to the student's academic record, a maximum of 80 semester credit hours from two-year colleges may be applied toward Texas Tech University degree requirements. Courses that are accepted for transfer do not necessarily apply toward college, departmental, or program degree requirements.

SPC students are encouraged and invited to apply to the TTU Honors College. The Honors College utilizes a holistic review process in which all application materials are considered before a decision is awarded. As an SPC Honors student, the following information may prove useful: TTU will apply up to 12 hours of SPC-approved Honors credit, with a grade earned of B- or higher in each course, towards completion of the 24 TTU Honors hours. Students must apply to the Honors College and can also receive a fee waiver for the \$35 application fee to the Honors College. Honors students at SPC can contact Honors.Admissions@ttu.edu about having the application fee waived. Explore the opportunities offered through the TTU Honors College.
