Successful completion will grant TSI-compliance in math and college-credit for MATH1332.</p>			
<p>Applicable Transfer Credit Hours</p> <p>Evaluation of course credit earned at other institutions by the WTAMU Transfer Evaluation Office does not decree approval of the credit for use toward degree requirements. Only the academic dean of the college offering the program in which a student is enrolled has authority for determining which courses will be applied toward any specific program. The only exception to this rule is that no transferred course completed with a grade below C- may be applied to fulfill course requirements in majors, minors, or concentrations. Applicants must submit official records from all accredited institutions attended. Official transcripts must be sent directly to the Office of Undergraduate Admissions. All college-level, non-vocational courses completed with a passing grade of D or above at regionally accredited colleges and universities (not including trade or technical schools) will be evaluated for acceptance of transfer credit by the WTAMU Transfer Evaluation Office. The WTAMU Transfer Evaluation Office determines acceptable transfer credit on the basis of an evaluation of course content as described from the sending institution's catalog and in consultation with the appropriate academic units at West Texas A&M University as necessary for clarification. While all credit hours presented on the sending institution's transcripts will be evaluated and equivalent college level courses posted to the student's academic record, a maximum of 80 semester credit hours from two-year colleges may be applied toward West Texas A&M University degree requirements. Courses that are accepted for transfer do not necessarily apply toward college, departmental, or program degree requirements.</p>			
<p>Admission to WTAMU as a Transfer Student</p> <p>Transfer students have earned transferable 12 or more college-level credit at a regionally accredited institution the fall semester or later after high school graduation. College credits earned prior to high school graduation (dual-credit) and courses taken immediately following high school graduation during the summer do not count towards the 12 needed to classify a student as a transfer student. All new transfer students must complete Transfer Student Orientation. Transfer students must complete the online Transfer Student Orientation and then have the option to register for an optional Transfer Registration Day on campus. By selecting the following link, you can learn more about Transfer Student Orientation WTAMU.</p>			
<p>WTAMU Admission Decision</p> <p>Applicants who hold an associate's degree from South Plains College OR have a combination of transferable hours and GPA outlined below are guaranteed admission:</p>			

Transferable Hours GPA

12 or more (post high school credit hours) 2.0 or higher cumulative

Applicants who do not meet the admission guarantee criteria above, will have to appeal the decision.

Students who are currently suspended from another college or university are not eligible for admission to West Texas A&M University.

Additional WTAMU Advising Notes

- Make an appointment with an academic advisor of the major, once accepted to WTAMU, in order to clarify department, university policies and procedures, to review course sequencing, and to help with identifying resources for academic success. A current list of academic advising resources can be found at [Transfer Student Resources | WTAMU](#).
- Refer to the official source of information on specific courses within the WTAMU requirements of this degree plan from the WTAMU Undergraduate Catalog or visit the web site at www.wtamu.edu.
- Read the WTAMU Undergraduate Catalog.
- Pay close attention to course sequencing and availability at WTAMU as it will affect the time it takes to complete the degree program. It is recommended to transfer when students earn between 60-66 hours.

Using this Transfer Advising Guide with WTAMU

This Transfer Advising Guide represents West Texas A&M’s degree plan and is subject to change at the university’s discretion. It is intended for advising purposes only so students know exactly which courses they can take at South Plains College and have the courses count towards degree requirements when they transfer to West Texas A&M. It is highly recommended that students meet with their assigned academic advisor to review all graduation and transfer requirements listed in the Transfer Advising Guide.

The ultimate goal is to provide students with accurate information for transfer pathways while minimizing loss of credits in transfer. Students are encouraged to review West Texas A&M University’s requirements frequently.

The Transfer Advising Guide is based upon [West Texas A&M University’s Catalog](#) and is subject to change.

Automatic Scholarships for Transfer Students

The following scholarships are awarded once you have: 1) been accepted for admission, 2) met the necessary criteria for the scholarship with official documentation, and applied for financial aid through submission of the FAFSA. You will receive the largest scholarship for which you are qualified.

Resident Transfer Assistance Scholarship - \$2,000/yr for up to 2 years

- 3.0 GPA + 30 transfer credit hours
- Texas resident
- Financial need as demonstrated by the FAFSA application
- FAFSA application submitted 60 days prior to the first day of class
- Enrolled full-time (minimum of 12 hours per term, Fall and Spring)

Non-resident Transfer Assistance Scholarship - \$1,000/yr for up to 2 years

- 3.0 GPA + 30 transfer credit hours
