| This Transfer Advising Guide represents West Texas A&M’s degree plan and is subject to change at the university’s discretion. It is intended for advising purposes only so students know exactly which courses they can take at South Plains College and have the courses count towards degree requirements when they transfer to West Texas A&M. It is highly recommended that students meet with their assigned academic advisor to review all graduation and transfer requirements listed in the Transfer Advising Guide. The ultimate goal is to provide students with accurate information for transfer pathways while minimizing loss of credits in transfer. Students are encouraged to review West Texas A&M University’s requirements frequently. The Transfer Advising Guide is based upon West Texas A&M University’s Catalog and is subject to change. |                                                      |       |            |      |

| <p>Evaluation of course credit earned at other institutions by the WTAMU Transfer Evaluation Office does not decree approval of the credit for use toward degree requirements. Only the academic dean of the college offering the program in which a student is enrolled has authority for determining which courses will be applied toward any specific program. The only exception to this rule is that no transferred course completed with a grade below C- may be applied to fulfill course requirements in majors, minors, or concentrations. Applicants must submit official records from all accredited institutions attended. Official transcripts must be sent directly to the Office of Undergraduate Admissions. All college-level, non-vocational courses completed with a passing grade of D or above at regionally accredited colleges and universities (not including trade or technical schools) will be evaluated for acceptance of transfer credit by the WTAMU Transfer Evaluation Office. The WTAMU Transfer Evaluation Office determines acceptable transfer credit on the basis of an evaluation of course content as described from the sending institution’s catalog and in consultation with the appropriate academic units at West Texas A&amp;M University as necessary for clarification. While all credit hours presented on the sending institution’s transcripts will be evaluated and equivalent college level courses posted to the student’s academic record, a maximum of 80 semester credit hours from two-year colleges may be applied toward West Texas A&amp;M University degree requirements. Courses that are accepted for transfer do not necessarily apply toward college, departmental, or program degree requirements.</p> |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
